Report Topic

<Waseda University School of Political Science and Economics>

When writing a report, please make sure to reference the "*Fraudulent Use and Plagiarism in Reports*" handout. Quotations and references should be created in accordance with the rules written in the handout to avoid suspicion of fraudulent use and plagiarism. In the case that these activities are discovered, there will be severe punishment which may include voiding of grades for all courses in which the student was registered that semester.

These rules are available online.
