RWTH Aachen University

Summer Schools at RWTH Aachen University

【Eligibility】
Undergraduate students of **mechanical engineering** or related subject areas, who want to experience German engineering and student life at one of Europe's leading technical universities

【**Online Application**】
Please see each of the program pages for your application

【**Program Duration & Detail**】

Mechanical Engineering
・Automotive and Mobility Studies (June 3 – 28, 2019)
・Mechatronic Systems Engineering and Product Innovation (June 24 – July 12, 2019)
・Automation and Simulation (July 8 – August 2, 2019)
・Agile Innovation: Product Design meets Engineering (July 22 – August 2, 2019)
・Production Technology meets Industry 4.0 (August 5 – 23, 2019)
・Robotics for Future Industrial Applications (August 5 – 23, 2019)

Engineering & Management
・Six Sigma Quality Management (June 17 – 28, 2019)
・Bringing Technological Innovations to Market: The Case of E-Mobility (June 17 – 28, 2019)
・Supply Chain Management and Logistics (July 1 – 12, 2019)

Electrical Engineering
・Sustainable Energy Technology (June 17 – July 5, 2019)
・Smart Electrical Power Systems (July 1 – 12, 2019)

Civil Engineering
・Structural Engineering of Industrial Facilities (July 1 – 12, 2019)

【**Course Expense**】
Please see each page of the below web link for your price inquiry.
【Notice】

You must purchase a return flight ticket and overseas insurance voucher for this program.
