

AUTHOR'S INSTRUCTIONS FOR PREPARING MAM-06 ABSTRACTS

A. Author,^{1*} B. Author² and C. Author¹

¹*Department of Applied Chemistry, Waseda University, Shinjuku, Tokyo 169-8555, Japan*

²*Department of Chemistry, University of Nebraska, Lincoln, Nebraska 68588-0304, USA*

This is a template for the preparation of the abstract of MAM-06. The abstract must contain (1) the presentation title, (2) names of the authors, (3) authors' affiliations, and (4) contact information for the corresponding author, including authors' e-mail address at footnote. All abstracts must be submitted in electronic form via the e-mail. Only PDF or Microsoft Word formatted files will be accepted. (LaTeX or text files will NOT be accepted). File size of your abstract should be **less than 1MB**.

- Size: A4 paper (210 mm in width and 297 mm in height)
- Margins: 30 mm margins on all edges
- Title in CAPS and Bold at 14 pt
- Author names in Bold at 12 pt
- Affiliations in Italic at 12 pt
- Abstract body, Times New Roman font at 12 pt
- 1 line spacing between title and authors
- 1 line spacing between authors and affiliations
- 1 line spacing between affiliations and abstract body
- 1 line spacing between abstracts and references
- Equations and figures may be included.
- "References" heading in bold type at 10 pt as shown below
- References numbered and indented as shown below, no line spacing between listed references.
