You can take part in the courses which cover a variety of interests including business, culture, economics, history, literature and art, politics and sociology in the context of Japan and Asia. The courses are taught in English by experienced faculty members from Waseda and visiting professors from the top global universities.

Founded in 1882 at the heart of Tokyo, WASEDA University is recognized as one of the most international universities in Japan. From 2014, Waseda started a four-week summer session at the undergraduate level. We welcomed highly motivated international students from 83 universities in 22 different countries and regions around the world in 2019. Together with Waseda students, they fully explored Waseda and Tokyo, which is consistently ranked high among the best cities to visit in the world.

Extracurricular Activities

Field Trips
Summer Session students will have a trip with Waseda students during the session. In-class field trips include traditional Japanese culture and nature. The Nitto Excursion is a full-day trip to the beautiful city of Tokyo. The Nikko excursion was a get-away from the busy city life.

Student Interns’ Event
Our Student Interns will organize some events for participants.

Visitor Sessions
Summer Session students will have a chance to meet and talk with Waseda students outside of their daily study activities.

*The contents are subject to change.
