

Videoconference

(Small-scale exchange, up to 7 participants)

- With the Polycom Video Conference System, Waseda University conducts “Live Sessions” with overseas universities. Students can participate in discussions via the system. The system only requires a TV and an Internet (IP) connection.

Polycom View Station

**Small group
(5 to 7 students)**

Videoconference

(Large-scale exchange, more than 7 participants)

- With the Polycom Video Conference System, Waseda University conducts “Live Sessions” with overseas universities. Students can participate in discussions via the system. Connecting the video conference system to AV equipment such as a video projector, speakers and microphone, allows a larger number of people to participate.

Polycom VSX 8000

**Large group
(7 to 30 students)**
