

Note on Waseda University transcripts

Waseda University does not formally recognize GPA on its transcripts. All faculty submit numerical scores for students on a scale of 0 to 100. Transcripts do not show these numerical scores, which are only available within Waseda University. Instead, transcripts show letter grades. Each numerical score is assigned a letter grade and only grades C or above are shown on the transcripts. Transcripts for students entering the university in April 2005 or before include a table showing A (100-80), B (79-70), and C (69-60). Transcripts for students entering in April 2006 or after, on the other hand, include a table showing A+ (100-90), A (89-80), B (79-70), and C (69-60).
