(Notes)

- 1) The above criteria apply for students aiming completion in September 2015. Part of the schedule differs for students wishing to graduate in March 2016, so please pay special attention to the one that corresponds to you.
- 2) Schedule details for September and March completions will be announced separately, so make sure to check accordingly.
- 3) Presentations are scheduled to last not more than 20m per person, including examiners' evaluation comments.
