

Notice about the CJSP Seminar Explanation Session

Dear CJSP 2nd year students,

As you already know, you are required to take seminars throughout the 3rd and 4th years. In preparation for the commencement of seminars from the 2013 fall semester, an explanation session will be held as detailed below. The faculty in charge, Prof. Cogan and Prof. Kurokawa will present the seminars, explain the academic fields covered by each one of them, and provide important information that will help you choose and apply for registration. This is a valuable opportunity to understand more about seminars and clear out doubts.

All second year students are required to attend Part I of the Information Session. Attendance to Part II, the Q&A Session is optional, and students not registered for classes on Friday 3rd period are advised to attend the Q&A session as well. Students planning to undertake study abroad from the fall semester are required to register for seminars before departure, so please make sure to take part in the explanation session.
