1 First Log in Setting (required)

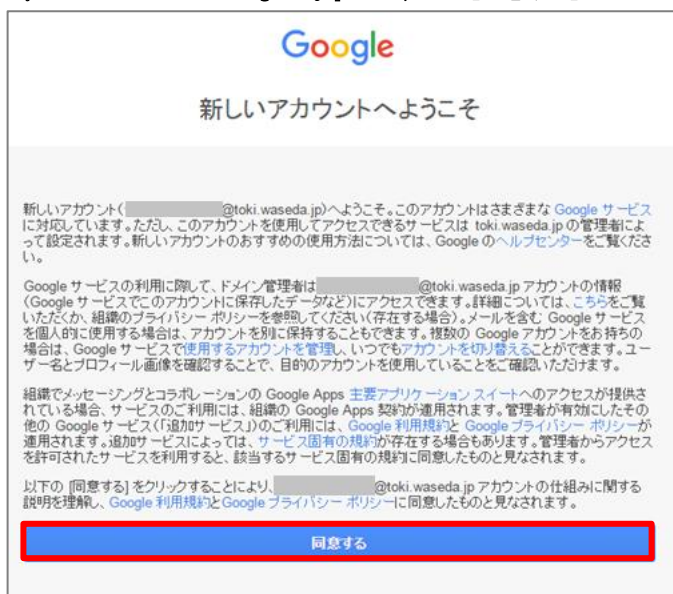

1-1) Open [Email] menu and click [Waseda Mail] menu on [Home] global menu of MyWaseda.

1-2) "Welcome to your new account" screen opened, and click [Accept].

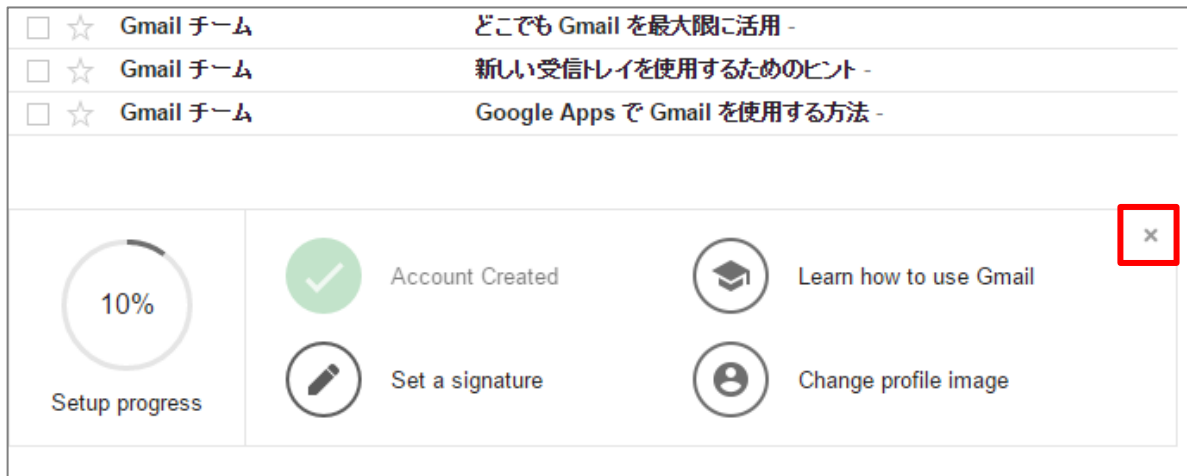

If you received the message in Japanese, click [同意する].

2 Close [Setup progress] (required)

2-1) close the "Setup progress" window.

If you have not changed your Gmail language settings, you received the window in Japanese "セットアップの進行状況".

3 Change your Gmail language settings (optional)

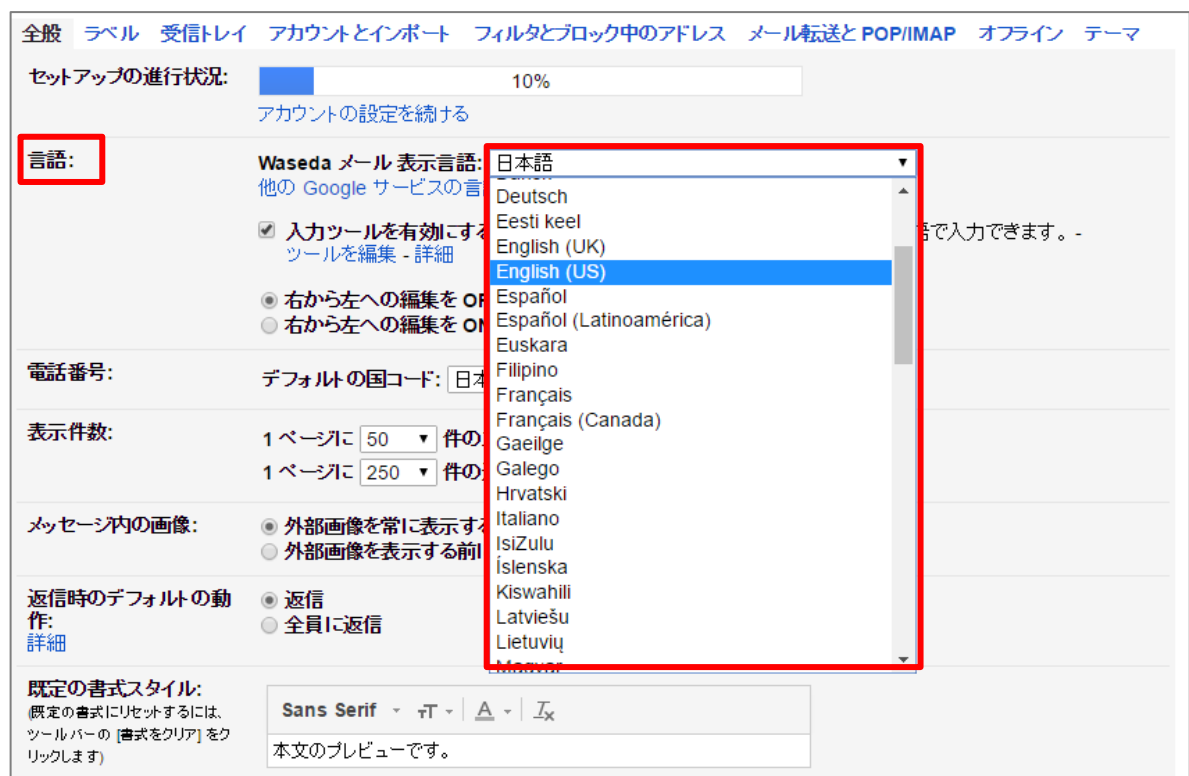

Default language of Waseda Mail (Gmail) is Japanese. You can change your Gmail language settings, if you want to. Please refer to the Google Helps.

Change your Gmail language settings: https://support.google.com/mail/answer/17091?hl=en&ref_topic=3394466

3-1) In the top right, click Settings , and click [設定].

3-2) In the [言語] section, pick a language from the drop-down menu.

3-3) At the bottom of the page, click [変更を保存] button.

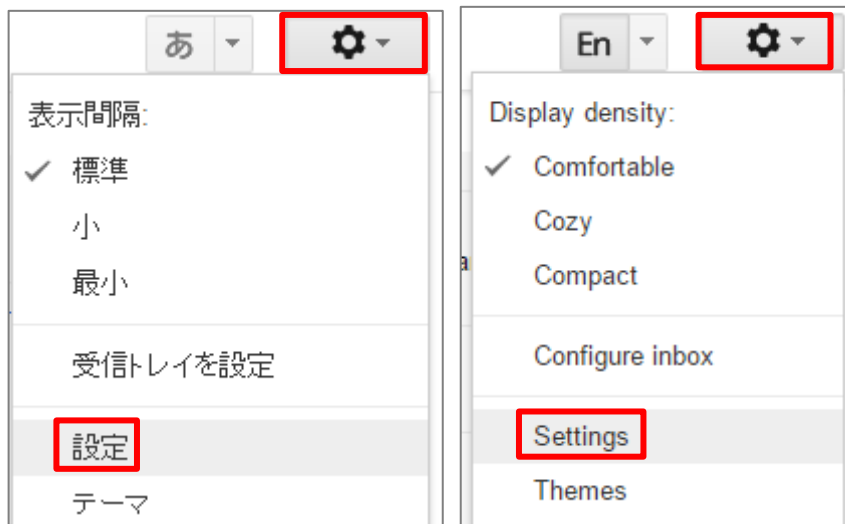

4 Change language settings for other Google products (optional)

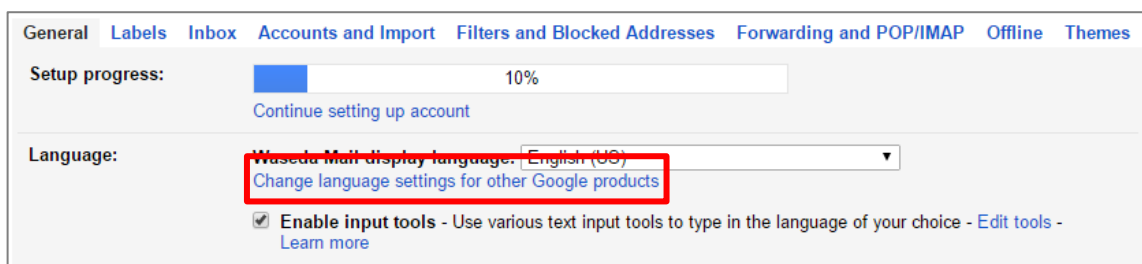

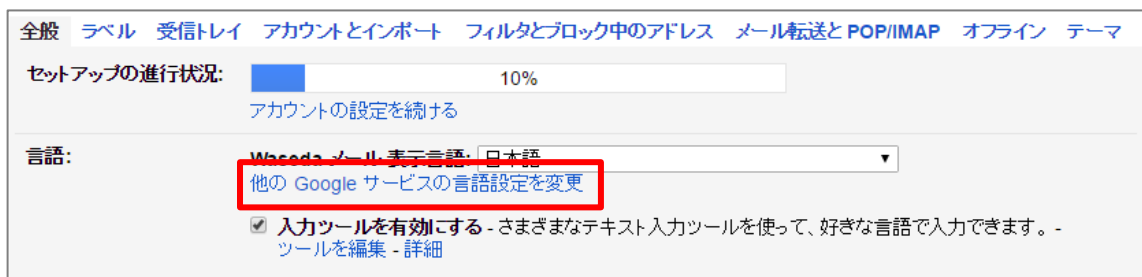

Please refer to the Google Accounts Help.

Change language: <https://support.google.com/accounts/answer/32047?hl=en>

4-1) In the top right, click Settings , and click [設定] or [Settings].

4-2) In the [言語] or [Language] section, click [他の Google サービスの言語設定を変更] or [Change language settings for other Google products].

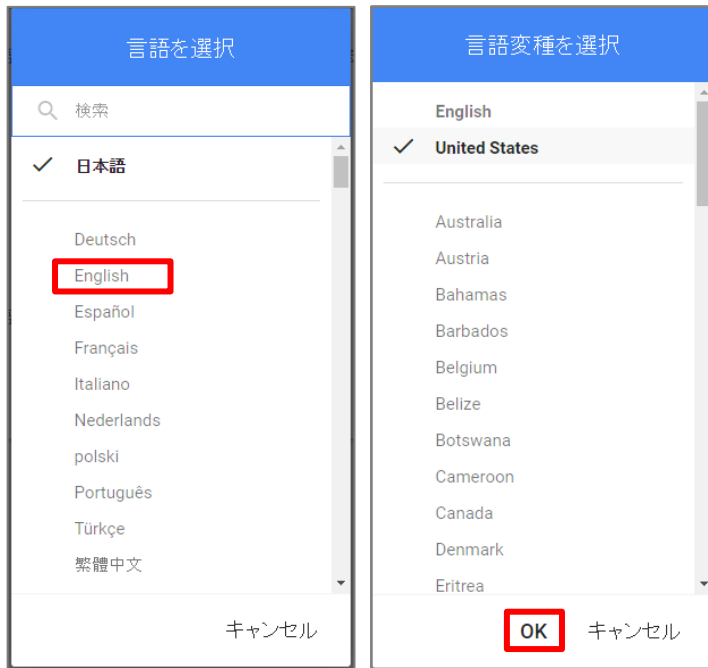

4-3) In the “アカウント設定” section, select [言語と入力ツール], and click [言語]

The screenshot shows the Google Account Settings page. The left sidebar contains a list of settings categories: 'アカウント情報', 'ようこそ', 'ログインとセキュリティ', '個人情報とプライバシー設定', 'アカウント設定', and 'Google について'. Under 'アカウント設定', the option '言語と入力ツール' is highlighted with a red box. The main content area is titled '言語、ストレージ、ユーザー補助機能のオプションの管理' and '言語と入力ツール'. Below the title, there is a visual representation of a language selection interface with 'hola' selected. At the bottom, a table shows the current language settings: '言語' (Language) is set to '日本語(日本)' (Japanese) and 'English (United States)', with a red box around the entire table and a right-pointing arrow icon.

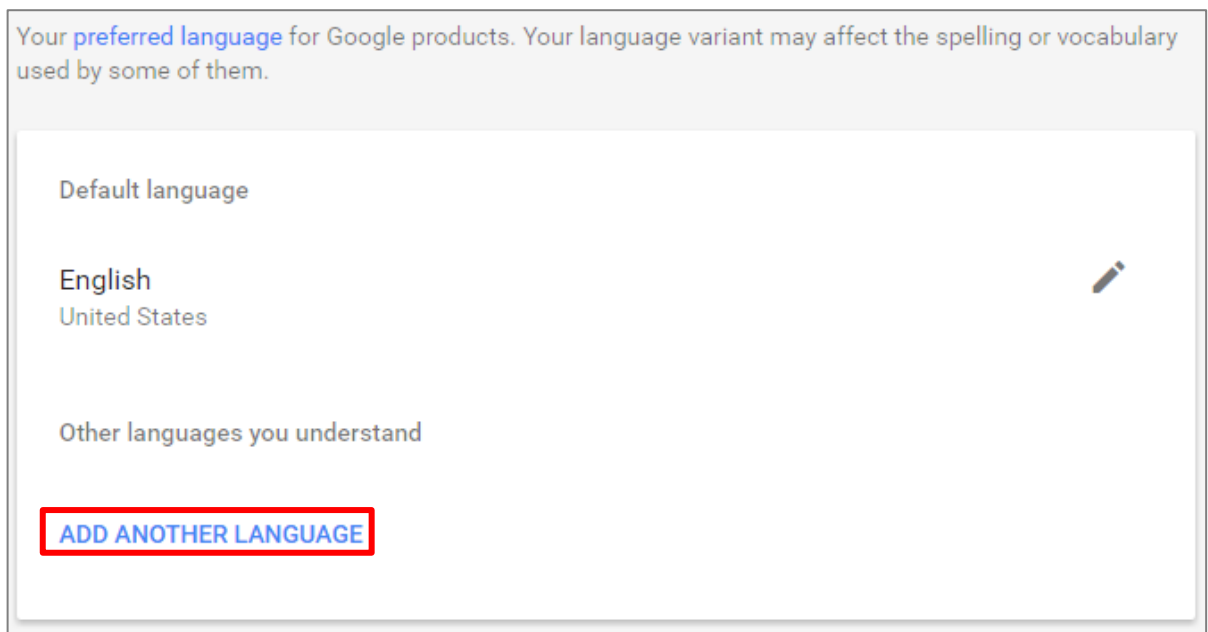

4-4) To change your language, click edit .

The screenshot shows the Google language selection interface. At the top, there is a text block: 'Google サービスの優先言語です。言語変種は、一部のサービスで使用される表記や用語に影響する場合があります。' Below this, there is a section titled '既定の言語' (Default language). Underneath, '日本語' (Japanese) is listed with '日本' (Japan) below it. To the right of this entry is a red box containing a pencil icon, indicating the edit function. Below the '既定の言語' section, there is a section titled '理解できるその他の言語' (Other languages you understand) and a link '他の言語を追加' (Add other languages).

4-5) Choose your language from the dropdown box and click [Ok].

4-6) If you use multiple languages, you can add them to your My Accounts profile by selecting [ADD ANOTHER LANGUAGE].

4-7) Once you've changed language, close the "Account preferences" and "Waseda Mail (Gmail)" browser window. Then, open Waseda Mail, it should be displayed in the language you've selected.

5 Automatically forward Gmail messages to another account (optional)

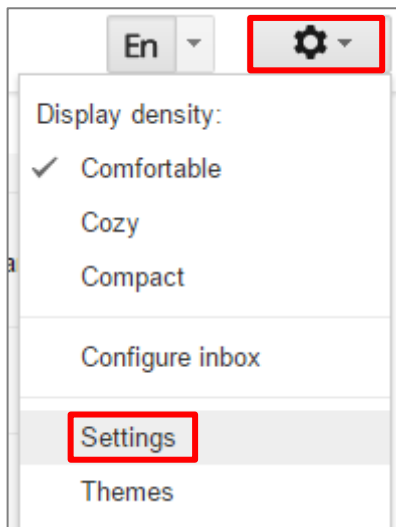

Please refer to the Google Helps.

Automatically forward Gmail messages to another account: <https://support.google.com/mail/answer/10957?hl=en>

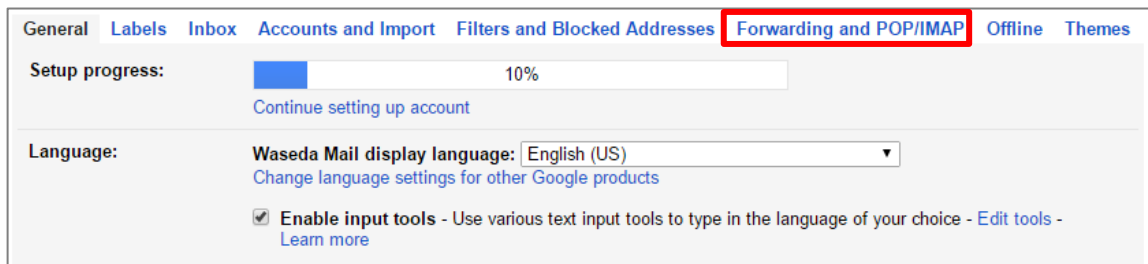

NOTE:

- You can only automatically forward all your messages to one account.
- To forward emails to multiple accounts, use the "Only forward certain kinds of messages" steps to [create filters](#) to forward messages to different accounts.
- When your new messages are forwarded, messages from spam won't be included.
- You can only set up forwarding on your computer, and not on the mobile Gmail app.

5-1) In the top right, click Settings , and click [Settings].

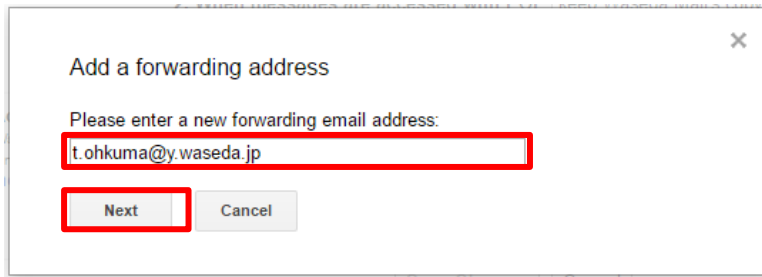

5-2) Click the [Forwarding and POP/IMAP] tab.

5-3) In the [Forwarding] section, click [Add a forwarding address].

5-4) Enter the email address you want to forward messages to, and click [Next].

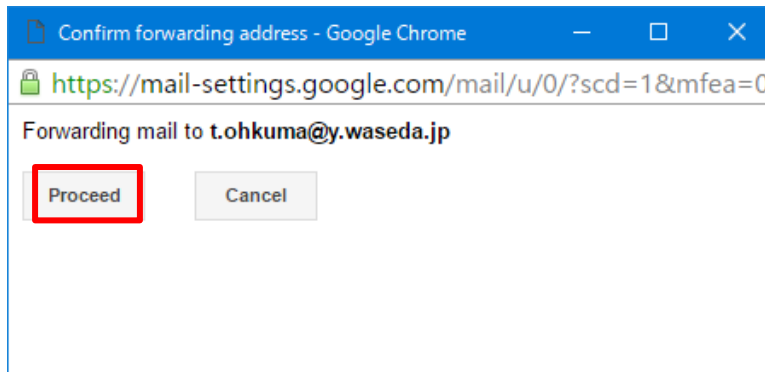

Add a forwarding address

Please enter a new forwarding email address:

t.ohkuma@y.waseda.jp

Next Cancel

5-5) Click [Proceed] and [OK].

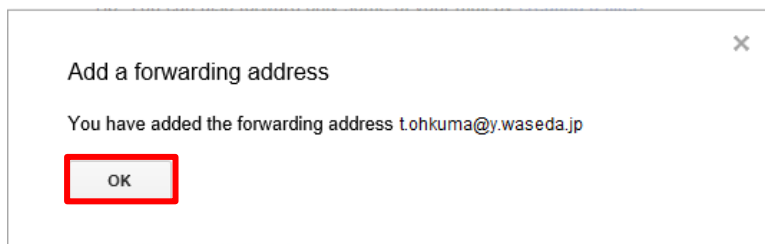

Confirm forwarding address - Google Chrome

https://mail-settings.google.com/mail/u/0/?scd=1&mfea=0

Forwarding mail to t.ohkuma@y.waseda.jp

Proceed Cancel

Add a forwarding address

You have added the forwarding address t.ohkuma@y.waseda.jp

OK

5-6) If you forward Gmail messages to address except for ~@~.waseda.jp, a verification message will be sent to that address.

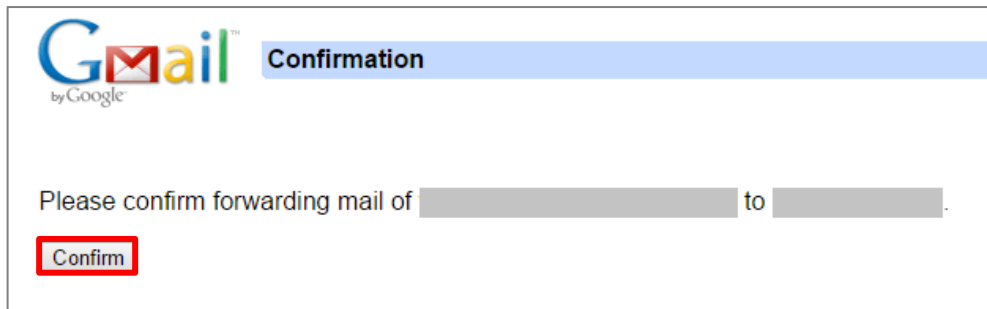

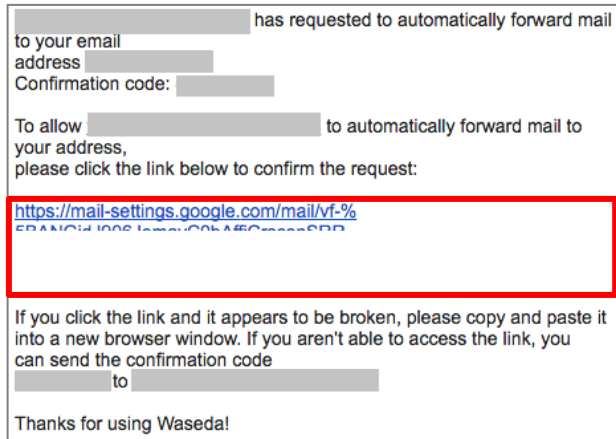

Add a forwarding address

A confirmation code has been sent to t.ohkuma@xx.com to verify permission.

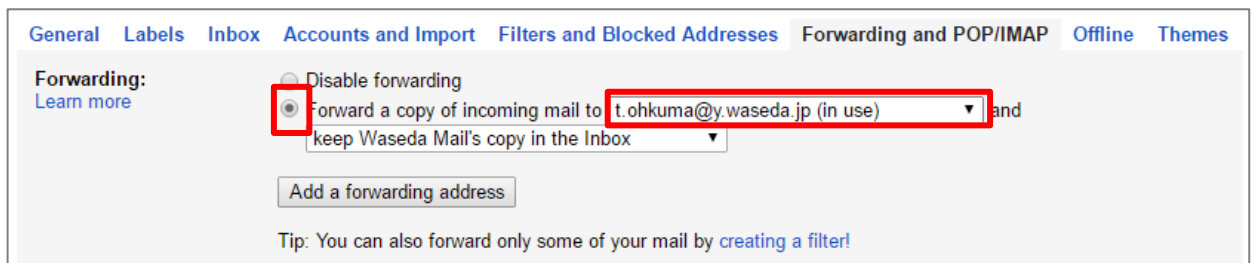

OK

5-7) Click the verification link in that message, and click [Confirm].

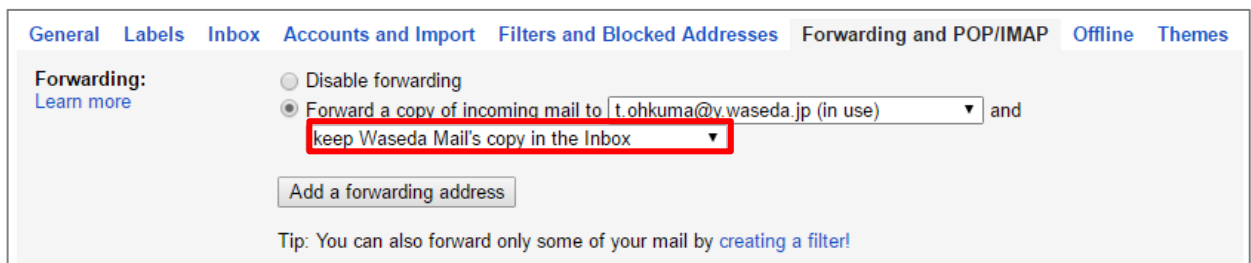

5-8) Go back to the [Forwarding and POP/IMAP] page for the Gmail account you want to forward messages from, and refresh your browser.

5-9) Select Forward a copy of incoming mail to.

5-10) Choose what you want to happen with the Gmail copy of your emails. It is recommended [Keep Waseda Mail's copy in the Inbox].

5-11) At the bottom of the page, click [Save Changes].

6 Set up Gmail with mail clients (optional)

Please refer to the Google Helps.

Set up Gmail with mail clients: https://support.google.com/mail/troubleshooter/1668960?hl=en&ref_topic=3398031

You can retrieve your Gmail messages with a client or device that supports IMAP4 and OAuth 2.0, like Mail Apps for Windows10 or Apple Mail.

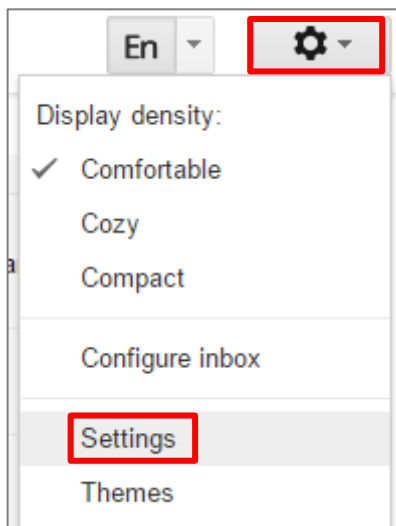

NOTICE:

~~If you access the on-campus network with the "Wired LAN Connections", you need to use the "General Purpose Proxy" service.~~

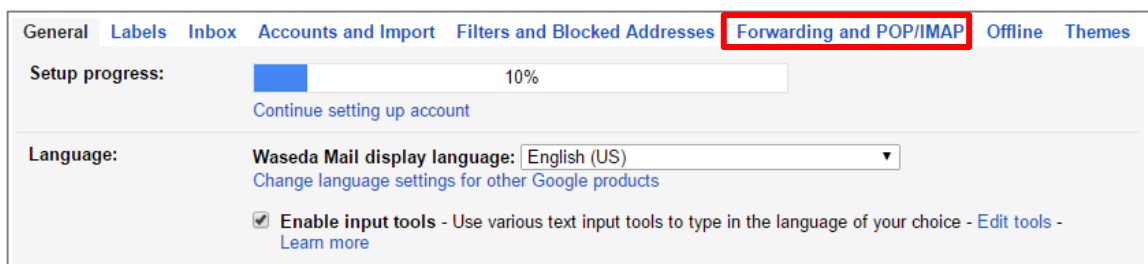

- "General Purpose Proxy" service is no longer required from September 1, 2016.

STEP 1: Enable IMAP

6-1) In the top right, click Settings , and click [Settings].

6-2) Click the [Forwarding and POP/IMAP] tab.

6-3) Select [Enable IMAP] and click [Save Changes].

The screenshot shows the 'Accounts and Import' settings page. The 'IMAP Access' section is expanded, showing the status 'IMAP is enabled'. Underneath, the 'Enable IMAP' radio button is selected and highlighted with a red box. Below this, there are options for handling deleted messages and folder size limits. At the bottom of the settings area, the 'Save Changes' button is also highlighted with a red box.

STEP 2: Set up your client

6-4) To send/receive Waseda Mail messages, use the table below to set up your client.
