  1. Demographic Profile
  2. Reasons of spreading English
3. EGL, EIL, and WE
4. Teaching Englishes in the 21st century
5. Teaching pronunciation
6. Conclusion

# I. Introduction

- The unprecedented profile of English has been a major topic in the field of applied linguistics since 1970s.
- English is now used as a medium of cross-cultural or cross-linguistic communication. It is also used in international as well as intra-national communication.
