

FIRST ASIAN WORKSHOP ON ECONOMETRICS AND HEALTH ECONOMICS

KYOTO
JAPAN
December 9-10, 2018

Econometrics and Health Economics

This series of workshops provides a forum for the development and dissemination of applications of econometrics and other quantitative approaches in health economics.

The workshop will follow the format of the long-running European Workshops on Econometrics and Health Economics, with a particular vision to: Promote health economics research with applied microeconomics focus in Asia; strengthen research network within the region; and develop research network with other regions.

The Workshop

The workshop program consists of up to 14 papers. Each paper is allocated one hour, made up of a presentation by the author, followed by a response from a discussant and general discussion. The number of participants will be limited to 40. **Workshop participants will be expected to attend the whole of the meeting** and play a role as either author, discussant or chairperson.

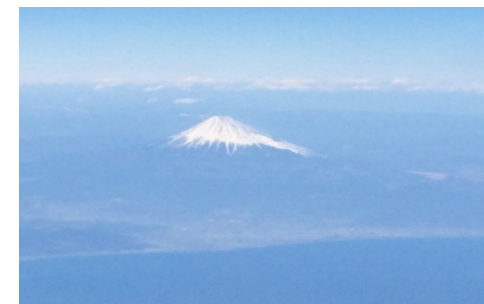

The workshop will begin with lunch on Sunday 9th December, followed by a key-note short course by:

Professor Randall Ellis, Boston University

The workshop concludes 5pm on Tuesday 11th.
