

Corporate Finance

HIROTA, Shinichi

1. Area of expertise, research area, or current themes in his/her research

Corporate finance, corporate governance, the Japanese financial system and experimental finance

2. Supervision Policy

Guidance objective: I would like to guide them so that they can conduct research that presents new findings on their own, based on their understanding of existing research.

3. Advice to prospective students

I would like you to publish papers in peer-reviewed journals during your doctoral program and write a doctoral dissertation based on those papers.
