経営	Responsible Leadership and Management	アルカンタラ ライラニ ライネサ	<p>This zemi is designed for students who are curious about what it means to be responsible in business. In the face of global challenges, social inequalities, environmental degradation, and multifaceted business opportunities, leading responsibly and sustainably across borders has become an imperative.</p> <p>Together, we will explore questions such as: Why should organizations and leaders act responsibly? What theories explain the mechanisms of responsibility and irresponsibility in business? How do global contexts and institutional differences shape responsible leadership? What organizational strategies, structures, and practices foster responsible or irresponsible behaviors? We will also discuss and develop empirical studies on topics that include, but are not limited to, inclusion, sustainability, social innovation, B Corporations, organizational deviances, and the paradoxes and tensions of responsible leadership within the global business landscape.</p>
