Undergraduate Exchange Program

School of Economics & business
Universidad de Navarra

Fact Sheet 2026/2027

The School of Economics and Business was founded in 1987 as a reference quality institution. We focus on academic and research excellence, broad internationalization, and memorable student experience to cultivate "economics with a human face," as it was our first Dean's desire. Our program aims to prepare you for the challenges and opportunities of today's world. Your participation and involvement are essential to develop our mission. You are the protagonist of your training.

WHY PAMPLONA?

Pamplona is marked by its history and customs as it was a fortress city in the heart of the Kingdom of Navarra.

Navarra is among the regions with the best quality of life around the world.

Spanish is the second most spoken language in the world.

Pamplona is one of the safest cities in Spain.

Gastronomic hub and neighbor to the city with more Michelin Stars per square meter: San Sebastian (45 mins away).

Pamplona is part of the latest route of Camino de Santiago - one of the great hiking routes around the world.

2025/2026 course catalogue

Registration

Course registration is done **online** before arrival. It works on a **first come, first served** logic.
The **Add & Drop period** is during the first two weeks upon arrival.

Transcript of records

The transcripts of records will no longer be sent directly to the home university coordinator by our exchange office. Instead, the students will now be responsible for requesting their transcript to be sent via the MIUNAV online portal to them and to their home university coordinators.

Institution's language

The primary language of the University of Navarra is **Spanish**. However, as we offer bilingual programs to our students, there is a wide range of courses taught in **English**: around 50 courses per academic year.

Language requirements

Students must provide proof of their language level. An official test score or a letter from the home university verifying the level is accepted. The certificate needs to be provided for the language the courses will be taken (if only one language, only its corresponding certificate, and for both languages, both certificates).

- For English classes - B2 level
- For Spanish courses- B2 level

Spanish classes

The School offers Spanish language courses free of charge for non-Spanish-speaking students that can be taken throughout the semester in parallel with courses.
