STUDENT LIFE

ORIENTATION, EXCURSIONS & STUDENT ASSOCIATION

The International Affairs Office organizes a student orientation the first week of students' arrival. This includes getting students acclimated to the French business school structure, French language courses, and the French culture. In the first month of the students' arrival, the International Affairs Office takes exchange students on an excursion in the Paris area to a cultural area. Past events have included, a competitive cultural treasure hunt at the Chateau de Versailles and an outing to the theatre in the center of Paris.

The Student Life office has a student organization called Open Up, which facilitates the connection between exchange students and full-time students at EDC and ensures an exciting and successful semester! Open Up is a part of the Erasmus Student Network and helps integrate exchange students to the school and to the Paris area. A large majority of the students in this association have already had an experience abroad. They now want to help other exchange students, share their experiences, meet new people and help others discover their country.
