1. Graduation Requirements

To receive the MBA degree (Major in Business Administration, Waseda University), a candidate must fulfill all of the following requirements:

- (1) Enrolled in the regular program for 2 years or more
- (2) Earned a total of 50 credits or more which are required for the program completion as prescribed by WBS
- (3) Must attend required seminar(s) and receive necessary research guidance, complete a Degree Thesis, and pass the thesis review and final examinations.
- (4) Completed tuition payment

A Degree Thesis should embody, in the form of a case study, business reform plan, business plan, or research and academic paper, the research results of and findings about a particular subject, based upon the knowledge acquired from lectures, seminars, and project research. It should be written and completed in either Japanese or English, using the designated format.

NOTE

If the completion requirements are insufficient at the time of completion judgment, the grade of the Degree Thesis for the relevant semester will be "F". Extension students who have not submitted or failed their dissertation must resubmit their dissertation according to the schedule for the next semester. Students who want to extend the scheduled completion period should prepare "Application for Delay of Submission for the Degree Thesis/Project Research Thesis" and submit it to the WBS office after obtaining the signature / seal of their academic advisor.

*Refer to WBS's *Basic Guidelines* for detailed information about the program completion requirements.

2. Prerequisites for Submitting a Degree Thesis

A student must fulfill the following requirements prior to submission of a Degree Thesis.

- (1) Earned or is expected to earn all the prescribed credits.
- (2) Paid the equivalent of 4 terms' tuition and fees prior to the date of submission.
- (3) Submitted a Degree Thesis Plan to WBS Office.

3. Deadline for Degree Thesis Plan Submission

Those who plan to complete the course must submit the prescribed "Thesis Plan" using Waseda Moodle at the end of the second semester after enrollment. The deadline for submission will be posted on the website or bulletin boards, so submit it by that date.

Those who are late for submission due to leave of absence should submit the thesis plan immediately at the end of the second semester or after returning to school, excluding the leave of absence period.

For those who took a leave of absence after submitting the plan, it is not necessary to resubmit the

plan unless the Deputy Examiner has changed, or the Chief Examiner has determined that the research theme has changed significantly.

Deadline: End of July*

Deadline for students whose enrollment was extended for 6 months: End of January*

***Students are required to confirm WBS website for fixed schedule.**

4. Preparing the Degree Thesis Plan

- (1) The "Degree Thesis Plan" should be created by using the designated form which can be obtained from the WBS WEB site.
- (2) The "Degree Thesis Plan" shall be at least one A4 sheet including the thesis plan and the reference list.

5. Submission of the Degree Thesis

- (1) Those who plan to complete the course must submit "Degree Thesis" and "Approval Form for the Degree Thesis Be Made Public" form both in electric files to the WBS office.
The deadline for submission will be posted on the Web or on the bulletin board, so submit it to Waseda Moodle at the designated date and time.

Deadline : Beginning of July*

Deadline for students whose enrollment was extended for 6 months: Beginning of January*

***Students are required to confirm WBS website for fixed schedule.**

7. Degree Thesis Evaluation

The Degree Thesis will be evaluated by one Chief Examiner (seminar supervisor) and two Deputy Examiners.

A+, A, and B are passing grades. An "F" is a failing grade.

Deputy Examiners are selected when the Degree Thesis Plan is submitted.

<Appointment of Deputy Examiners>

International MBA Program
Appointed by Chief Examiner

A student is unable to complete the program if he or she received a grade of "F".

In that case, it is necessary to postpone the completion for at least 6 months and resubmit the treatise. If the deferral is postponed, the student whose deputy examiner has been changed will resubmit the thesis plan. If the chief examiner determines that the research theme has changed significantly, resubmit the thesis plan.

8. Thesis Guidance

Students must receive thesis guidance primarily from Chief Examiner.

9. Oral Defense

- (1) For those who plan to complete in March, as a general rule, the oral examination will be conducted on the designated date and time and period from the end of January to the beginning of February of the planned completion year. For those who are scheduled to complete in September, as a general rule, it will be conducted at the designated date and time and period in early August of the planned completion year. In each case, the date and time of the event will be announced on Waseda Moodle or the Web, etc.
- (2) As a general rule, the allocation time per student will be 25 minutes.
- (3) In principle, the chief examiner and two deputy examiners serve as judges for the oral examination.
- (4) Students are allowed to bring a copy of their theses and references into the examination venue.
- (5) Only if it is recognized that you are absent due to unavoidable reasons, an oral examination will be conducted on a different schedule.
