Earn Two Prestigious Degrees

WBS is very pleased to announce that the Waseda-ESCP Double Degree Program application period is now open to all International MBA (IMBA) program students. We would like to encourage you to take this golden opportunity to study at two leading business schools, obtain global business perspective and expand your network in Tokyo and Paris.

Students who have successfully completed at least Master Year 1 of the Waseda MBA program and Master Year 2 of the ESCP Master's in Management program, and who meet the requirements for both programs will be awarded the following degrees:

Master of Business Administration, Waseda University

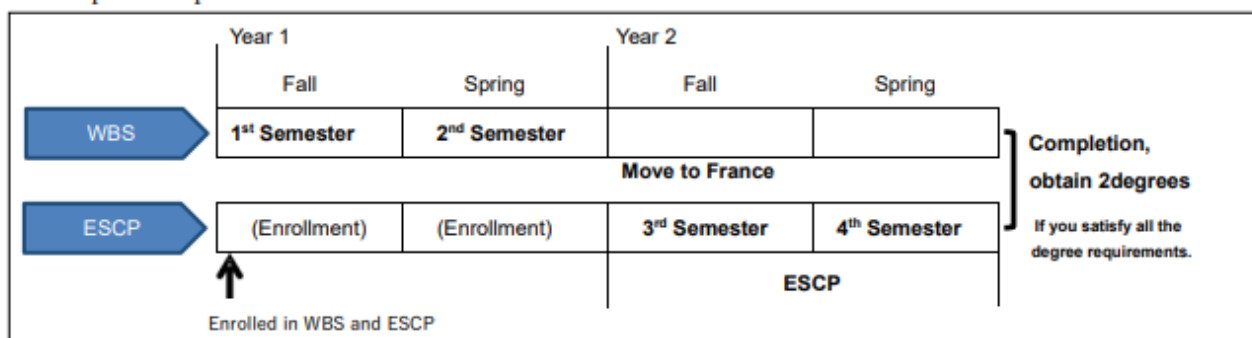

Master in Management Grande Ecole, Ecole Supérieure de Commerce de Paris

Introduction of ESCP

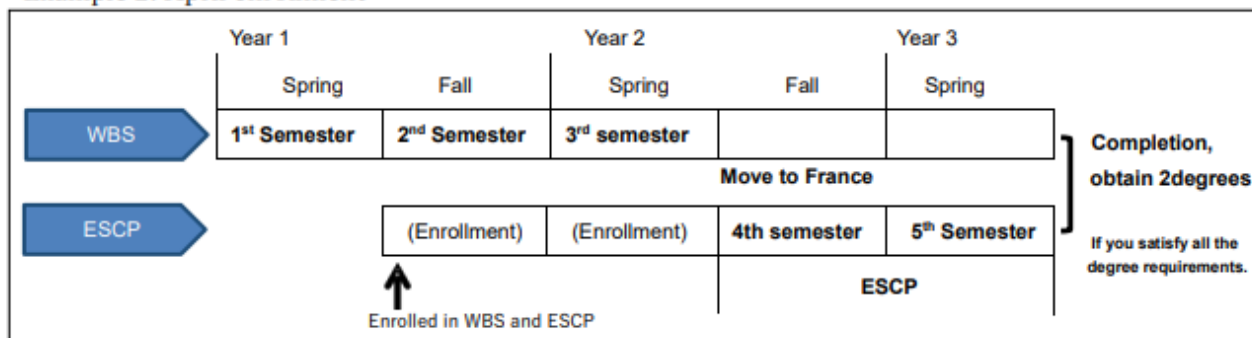

Founded in 1819, ESCP (Ecole Supérieure de Commerce de Paris) Europe is the oldest business school in the world and has produced generations of leaders. In 1973, campuses in Germany (Berlin) and the UK (London) were created, and the pioneering model of the first multi-campus management school was born. Campuses in Spain (Madrid) and Italy (Torino) followed in 1988 and 2004 respectively. Today, over 100 partnerships with schools both in Europe and around the world complete this European calling in the context of an ever more intertwined globe. Only 1% of all the business schools are “triple-accredited” (EQUIS, AACSB, AMBA). ESCP Europe is one of the very rare few.

Time Schedule

Example 1: September enrollment

Example 2: April enrollment
