- A professor who is qualified to assess your research proposal: 1 copy
- An individual who is able to verify your Korean language competency: 1 copy
- *After an applicant files an online application, the KF's Online Application System will automatically send an email to the recommender provided by him or her. The email will request that the recommender write a letter of reference and upload it onto the KF Online Application System.

 Therefore, applicants, should, inform, their recommenders, of this before
 - Therefore, applicants should inform their recommenders of this before beginning the application process.
- ** For those who are applying for an extension of the KF Fellowship for Graduate Studies, only one (1) letter of reference from the dissertation supervisor is required. Since the current online application system requires three (3) e-mail addresses, please enter the email addresses of your one recommender and "dikang@kf.or.kr" for the second and third recommenders.

How to Apply

Click on the Apply button at the bottom of this program announcement and complete the online application form.

- The Apply button is only activated during the application period from April 1, 2019 to 18:00, April 30, 2019(KST).
- The application form and all other required documentation must be submitted in Korean or English.

Important Reminders on Application Process

- MA students are eligible for funding for the GS program for up to **two** years. PhD students are eligible for funding for the GS program for up to **four** years.
- Applicants proficient enough in Korean to be able to use Korean primary sources for their study and research are especially encouraged to apply.

- Fellowship recipients must enroll in the program applied to at the semester indicated on the application. Admission may not be deferred to the following year.
- Fellowship recipients may not take a break from their universities during the grant period, and if they do due to inevitable reasons, a partial refund of the grant will be required.
- Fellowship recipients must reside in the country of the university at which they are registered. However, if they reside in the Republic of Korea or other foreign countries as an exchange student, etc., they should inform the KF in advance.
- Fellowship recipients may not hold concurrent fellowships from either the Foundation or any other third-party institution.
- After receiving the acceptance notice, Korean nationals should submit evidence of their foreign citizenship or permanent residency by email to the KF Program Officer who is in charge of the program.

Responsibilities of Fellowship Recipients

1. Submission of a report

Fellowship recipients are required to submit a report within one month of the end of the fellowship period, detailing the progress made during this period. The report must be drafted and submitted using the KF's report form.

2. Further reporting requirements

Fellowship recipients, upon obtaining their degree, are required to submit a copy of their MA thesis or PhD dissertation to the Foundation.

* The Korea Foundation will monitor research progress annually for three years following the conclusion of the fellowship period. Fellows who do not fulfill their responsibilities will not be eligible for future support from the Korea Foundation.
