

GEOPOLITICS, CLIMATE CHANGE, AND INTERNATIONAL TRADE SYSTEM

May 25, 2023 (Thursday)

17:00 - 18:40

Building 19, Room 713, Waseda University

Current world is disrupted in the sense of rules and order. How do people engaged in respective economies view this situation? How are they struggling to overcome this? The speaker will introduce voices of opinion leaders from various parts of the world. Japan Economic Foundation (JEF) stands in between governments (1) and industries (2) on 1.5 level to enhance understanding of the world economic situation with a goal to break down communication and understanding barriers, especially where Japanese companies are heavily located-USA, Asia/Oceania, Europe and East Asia.
