Admissions Policy

Focusing on the Asia-Pacific region, GSAPS seeks not only to conduct interdisciplinary research from the global and regional perspectives in the fields of regional history, politics, economics, industry, business management, society, culture and various international concerns, but also to deepen understanding of a growing Asia-Pacific region, and to mold future experts and researchers who can assume responsibility of the region's future.

GSAPS seeks students from both the domestic and international arenas, who are keen to learn and motivated to excel, and aim for a better future for the global society.

For our MA Program, GSAPS welcomes application not only from undergraduate students, but professionals who have relevant work experience, and seek to further enhance the well-being of global society, instead of just one's home country.

In respect of admissions evaluation, on top of agreeing to the fundamental ideology of the Graduate School, GSAPS attaches great importance to the following three factors.

Question	Answer
My recommender has not received a request e-mail from TAO.	The recommender may be checking a different mailbox than the one specified by the applicant. The recommender should use the same e-mail address with which he/she has received the request message. If the recommender has more than one e-mail account, please be sure to communicate well with the recommender regarding the e-mail address at which he/she intends to receive the request. If the recommender has indeed checked the inbox folder of the e-mail address requested by the applicant, but the request e-mail has not been received, please ask the recommender to check all e-mail folders, including the spam and junk folders. (As the request email from TAO may go into a junk folder). If it does not work, please ask the recommender to add **no-reply@admissions-office.net** or the **admissions-office.net** domain to his/her safe senders list to receive messages from TAO. Also, the institution the recommender belongs to may have restrictions on receiving e-mails. In such cases, the institution will need to add the domain name to their safe senders list. After setting up the domain name, ask your recommender to register for a TAO account directly at the URL below. https://admissions-office.net/ja/recommenders/sign_in
The recommender has registered for TAO account but has not received a confirmation e-mail from TAO. The recommender is unable to log in to TAO nor upload a recommendation letter.	Please ask the recommender to check all e-mail folders, including the spam and trash folders. If he/she still has not received the confirmation email, ask him/her to add the sending domain (admissions-office.net) to the list of accepted e-mail senders as described above, then go to the TAO login screen and click "Resend confirmation email" to resend the e-mail.
When my recommender tries to register for TAO account, the registration screen displays "This email address cannot be registered."	The recommender has already registered an account with TAO using this e-mail address. (No need to register again). He/she can log in with this e-mail address. If he/she has forgotten a password for login, please access the login screen and click "I forgot my password" and set a new password.
When the recommender logs into TAO and checks the "List of requests you have received", there is no request from the applicant in the list.	The recommender has created an account for TAO with a different e-mail address than the one the applicant entered in TAO on the Recommendation Letter screen. Please ask the recommender to re-register the account with the e-mail address that the applicant requested in TAO.
The recommender has entered required information and uploaded the recommendation letter but got an error when he/she clicked the Save button and could not complete the submission.	When entering "Recommender Information", there are some cases of unintentional spaces before or after letters or numbers, resulting in the entire page being unable to be saved and an error occurring. Please try erasing unnecessary spaces in each field and then click the Save button.
My recommender has submitted the recommendation letter, but the completion status on TAO has not changed to Completed.	After entering the required information and upload PDF file of the recommendation letter, the recommender should click Save button. Then, complete to submit a recommendation letter by clicking +Submit button. Please confirm that the completion status is changed from Please submit to Completed after finalizing the letter submission.
Can I change my recommender?	If you have not completed your application on TAO, changes can be made in the "Recommendation Letter" section on TAO. Please communicate with your recommenders well in advance to avoid having to make changes after the application has been completed.

*The registration fee will be credited toward the enrollment fee for students who enroll.
* The registration fee is waived for a successful candidate who is currently enrolled in, graduated from, completed, or withdrew from an undergraduate, graduate, or specialized program of Waseda University. For details, please refer to the "Guide to Entrance Procedures #1", which will be announced to the successful applicants.
* Tuition and fees stated above may change later.
* Additional fees may be necessary if registering particular courses after entrance.
* Students (graduates of universities other than Waseda University) who have newly enrolled in MA program of Waseda University will be required to pay 40,000 JPY as the "Alumni association membership fee". This membership fee will be paid in the final term/semester of their standard last year, which covers 10 years of annual membership that students pay in advance. (Originally, the fee is 5,000 JPY per year and the total amount for 10 years is 50,000 JPY. So, 40,000 JPY is the discounted one due to the advance payment.)

Note:
- As a rule, we do not return submitted documents nor refund the registration fee, tuition and fees once remitted. However, in case you must withdraw prior to entrance due to unforeseen circumstances, only tuition and Student Health Promotion Mutual Aid Association Fee for the 1st semester of the 1st year will be considered for refunds, but not the Registration Fee. For details regarding the payment method, etc., please refer to the "Guide to Entrance Procedures #1", which will be announced to the successful applicants.
- If you have been accepted by a Waseda graduate school and completed the payment of the entrance procedures fee to that school and are later accepted by another Waseda graduate school which you prefer to enter, you can enter the preferred graduate school and request to have the amount you have already paid transferred to that school. However, this procedure can be done only when the entrance procedures periods of the two schools do not overlap. For more information about the procedure, please refer to the "Guide to Entrance Procedures #1".

2. Submission of Entrance Procedures Documents

Those who have completed the payment of the entrance procedure fee are required to submit the entrance procedures documents by the designated deadline. Besides, please be reminded that **at the time of entrance procedures successful applicants will be required to submit the originals of the materials uploaded at the time of application.**
