Condition	Instructions
You have completed/enrolled in a graduate program after an undergraduate program.	Submit academic transcripts for both undergraduate and graduate programs.
You are a transfer student.	Submit both previous and current undergraduate academic transcripts. First input/upload the information of the previous university, later the current school in the column newly created by clicking "+Add Educational Background (Higher Education): Undergraduate /Postgraduate".
You have studied abroad in your undergraduate and/or graduate programs.	Submit the academic transcript issued by the host institution, if the credits earned at the host institution are accredited as required credits for the graduation but those details (e.g., number of credits, name of subjects, and grades) are not indicated in the official transcript issued by applicants' home university. If you already input/upload the information in the section of "Educational Background (Higher Education) : Undergraduate /Postgraduate", do NOT have to fill the same information in the section of "Study abroad record". For the study abroad which is not counted for the graduation credits, you do not have to upload its transcript but just fill out the section of "Study abroad record" with name of school/department/major and time period you are enrolled.
You took a leave of absence/leave for military service.	Prepare a certificate issued by your home university/another public institution which confirms that the school had granted the leave, merge it together with the transcript in one PDF file and upload it to the space of "Transcript". For submissions of a certificate of leave of absence from universities in mainland China, please contact the Admissions Office.

- If you have graduated/completed (or are expected to complete) a university in mainland China, please refer to the instruction on Table 2) below.

(No need to upload to TAO)	
• as an academic transcript: “Verification Report of China Higher Education Student’s Academic Transcript (English)”	
* Visit the CSSD website (https://www.chsi.com.cn/en) for more information. * <u>Only reports (English version) sent directly from CSSD will be considered valid.</u> * <u>It takes quite some time for CHSI to certify your transcript and send it to us. Please arrange it well in advance to ensure that the verification report arrives by the application deadline.</u> * <u>Even if those reports from CSSD arrive at the Admissions Office before the application period, they will be accepted.</u> * Inquiries as to how long it takes for the verification report to be sent or whether the verification reports have arrived cannot be answered by the Admissions Office. <FAQ>

If you have any questions regarding request/submission of recommendation letters, please read these FAQs thoroughly before making inquiries to our office. *If you still have the problem unsolved after trying the following, please contact us as soon as possible during the application period.

Question	Answer
My recommender has not received a request e-mail from TAO.	The recommender may be checking a different mailbox than the one specified by the applicant. The recommender should use the same e-mail address with which he/she has received the request message. If the recommender has more than one e-mail account, please be sure to communicate well with the recommender regarding the e-mail address at which he/she intends to receive the request. If the recommender has indeed checked the inbox folder of the e-mail address requested by the applicant, but the request e-mail has not been received, please ask the recommender to check all e-mail folders, including the spam and junk folders. (As the request email from TAO may go into a junk folder). If it does not work, please ask the recommender to add <u>no-reply@admissions-office.net</u> or the <u>admissions-office.net</u> domain to his/her safe senders list to receive messages from TAO. Also, the institution the recommender belongs to may have restrictions on receiving e-mails. In such cases, the institution will need to add the domain name to their safe senders list. After setting up the domain name, ask your recommender to register for a TAO account directly at the URL below. https://admissions-office.net/ja/recommenders/sign_in
The recommender has registered for TAO account but has not received a confirmation e-mail from TAO. The recommender is unable to log in to TAO nor upload a recommendation letter.	Please ask the recommender to check all e-mail folders, including the spam and trash folders. If he/she still has not received the confirmation email, ask him/her to add the sending domain (admissions-office.net) to the list of accepted e-mail senders as described above, then go to the TAO login screen and click "<u>Resend confirmation email</u>" to resend the e-mail.
When my recommender tries to register for TAO account, the registration screen displays "This email address cannot be registered."	The recommender has already registered an account with TAO using this e-mail address. (No need to register again). He/she can log in with this e-mail address. If he/she has forgotten a password for login, please access the login screen and click "I forgot my password" and set a new password.
When the recommender logs into TAO and checks the "List of requests you have received", there is no request from the applicant in the list.	The recommender has created an account for TAO with a different e-mail address than the one the applicant entered in TAO on the Recommendation Letter screen. Please ask the recommender to re-register the account with the e-mail address that the applicant requested in TAO.
The recommender has entered required information and uploaded the recommendation letter but got an error when he/she clicked the <u>Save</u> button and could not complete the submission.	When entering "Recommender Information", there are some cases of unintentional spaces before or after letters or numbers, resulting in the entire page being unable to be saved and an error occurring. Please try erasing unnecessary spaces in each field and then click the <u>Save</u> button.
My recommender has submitted the recommendation letter, but the completion status on TAO has not changed to <u>Completed</u> .	After entering the required information and uploading PDF file of the recommendation letter, the recommender should click <u>Save</u> button. Then, complete submitting a recommendation letter by clicking <u>+Submit</u> button. Please confirm that the completion status is changed from <u>Please submit</u> to <u>Completed</u> after finalizing the letter submission.
Can I change my recommender?	If you have not completed your application on TAO, changes can be made in the "Recommendation Letter" section on TAO. Please communicate with your recommenders well in advance to avoid having to make changes after the application has been completed.

 - The submitted application materials are not complete enough to meet the application requirements.
 - You do not meet all the eligibility criteria.

3. Acquisition of Status of Residence of “Student” (for international students only)

International students who are admitted to Waseda University can apply for a status of residence “Student”. Those with the status of residence “Student” are eligible to apply for scholarships for international students. **Those with a**

status of residence other than “Student” are eligible to enter Waseda University but please be aware that they cannot use various services and systems such as scholarships intended to support international students.

***To go through the procedures concerning the status of residence, you will need to have made a second deposit.**

(1) If you have a status of residence of “Student”

If you currently have a status of residence of “Student,” please apply for “extension of period of stay” as necessary. You can apply for extension of period of stay from three months before your status of residence expires. For details on procedures, please refer to “If your current status of residence is “Student”” in “For Prospective Students” on the above website.

(2) If you have a status of residence of “Temporary Visitor”

Please bear in mind that students are not eligible to enroll in the university with a “Temporary Visitor” status.

If you currently have a status of residence of “Temporary Visitor,” as a general rule, you will need to leave Japan once and apply for a status of residence of “Student.” For details on how to apply for a status of residence of “Student,” please refer to **“(4) If you do not have a status of residence.”**

(3) If your status of residence is other than “Student” or “Temporary Visitor”

If you finish the activity that falls under your current status of residence, you will need to change your status of residence to “Student.” If your status remains the same, such as “Dependent,” change the status of residence as necessary. For details on procedures, please refer to “If your current status of residence is other than “Student”” in “For Prospective Students” on the above website.

[Note] To apply for extension of period of stay or change of status of residence, you need a completed application form issued by Waseda University. Prior to making the application to the Immigration Services Bureau, please submit the application form, a certificate of admission, and other necessary documents to the university.

(4) If you do not have a status of residence

To apply for a status of residence, you will first need to obtain a certificate of eligibility (COE) from the Immigration Service Bureau of the Ministry of Justice of Japan, located in Japan. Limited to students with foreign citizenship and living outside of Japan who have completed entrance procedures #1, Waseda University will apply for a COE to the Immigration Service Bureau on the students’ behalf.

After the COE is issued, Waseda University will send it to the student. Upon receiving the COE, you will need to take the COE and other necessary documents (e.g., your passport) to the Japanese embassy or consulate in your country of citizenship/residence to apply for a “Student” visa. Be sure to acquire your visa within the valid period of the COE and enter Japan. Since it takes 2 to 3 months for the whole process such as receiving documents for proxy application, application by proxy to the Immigration Service Bureau, assessment and issuance of COE, please be careful not to start late with little time before enrollment.

***As for the actual schedule and necessary documents, detailed information will be provided by the GSAPS Admissions Office after the screening results are announced.**

“Student” Visa Acquisition Process (1 → 2 → 3 → 4 → 5 → 6)

Important

- **If you hold a dual citizenship of Japan and another country, you cannot apply for the COE/student visa.**
- Waseda University acts on your behalf to apply for a “Student” status of residence only. If you wish to apply for other types of status of residence, you need to make an application by yourself at the Immigration Service Bureau.
- If you do not submit the necessary documents or the submitted documents are incomplete, Waseda will not be

able to apply for a COE on your behalf.

- The Immigration Service Bureau may require you to submit additional documents.
- An applicant who wishes to withdraw from enrolling in Waseda after receiving the COE must follow the procedure for the withdrawal of enrollment and contact us about returning of the COE. If you are accepted by another university in Japan, please make sure that you do not apply for a COE at more than one university. If there are multiple applications, the COE cannot be issued.
- The Immigration Service Bureau is solely responsible for decisions regarding status of residence. If issuance is delayed or application is not approved, Waseda University cannot be responsible for the cancellation fee of your air ticket and other inconveniences. Please be careful when you book your flight.
