4. Student Visa

International students who are admitted to Waseda University are able to apply for a status of residence “Student”. Those with a status of residence other than “Student” are eligible to enter Waseda University but please be aware that you cannot use various services and systems intended for international students as stated above.

Please take note that students are not eligible to enroll in the university with a “Temporary Visitor” visa status. Carefully read below and take the necessary measures.

Visa Application Procedures

In order to apply for a status of residence, you will first need to obtain a certificate of eligibility (COE) from the Immigration Services Agency of the Ministry of Justice of Japan, located in Japan. Limited to students with foreign citizenship and living outside of Japan who have completed enrollment procedures, Waseda University will apply for a COE to the Immigration Services Agency on the student’s behalf.

After the COE is issued, Waseda University will send it to the student. Upon receiving the COE, you will need to take the COE and other documents (e.g. your passport) to the Japanese embassy or consulate in your country of citizenship/residence to apply for a “Student” visa. The COE expires in 3 months of issuance, so be sure to acquire your visa within 3 months and enter Japan.

“Student” Visa Acquisition Process (1 → 2 → 3 → 4 → 5 → 6)

NOTE

- The process takes **more than two-three months** thus please submit the COE documents at the time of enrollment procedures.
- **If you hold a dual citizenship of Japan and another country, you cannot apply for the COE/student visa.**
- **If you currently have a status of residence “Student”**, please process the “application for extension of period of stay” as necessary. You are able to apply for an extension of period of stay up to three months before your status of residence expires. Please contact the Immigration Services Agency for further details.
- **If you have a status of residence “Temporary Visitor”**, as a general rule, you will need to temporarily leave Japan and apply for status of residence “Student.” For details on how to apply for a status of resident “Student,” please refer to the above.
- **If you currently have a status of residence such as “Long Term Resident,” “Dependent,” etc.**, there is no need for you to undertake any procedures. However, if you wish to change your status of residence to “Student,” you will need to apply for a change of status of residence. For more details, please contact the GSICCS office.
- Waseda University acts on your behalf to apply for a “Student” status of residence only. If you wish to apply for other types of status of residence, you need to make an application by yourself at the Immigration Services Agency.
- If you do not submit the necessary documents or the submitted documents are incomplete, Waseda will not be able to apply for a COE on your behalf.
- The Immigration Services Agency may require you to submit additional documents.
- An applicant who wishes to withdraw from enrolling in Waseda after receiving the COE must follow the procedure for the withdrawal of enrollment and immediately return the COE to Waseda University. If you are accepted by another university in Japan, please make sure that you do not apply for a COE at more than one university. If there are multiple applications, the COE cannot be issued.
- The Immigration Services Agency is solely responsible for decisions regarding status of residence. If issuance is delayed or application is not approved, Waseda University cannot be held responsible for the cancellation fee of your air ticket and other inconveniences. Please be careful when you book your flight.

- Applicants who hold nationality from the Philippines / Vietnam / Indonesia / Nepal / Myanmar / China are required to submit the “Tuberculosis(TB) Clearance Certificate” in addition to the usual Certificate of Eligibility (COE) application documents to prove that you are not infected with TB.
