Common Rules	<p>1. You will upload digital(scanned) copies of original/certified documents and certificates to follow online application process. Refer to the application guidelines for further details. *Score certificate(s) for the following tests must be sent directly from the institutions: SAT, ACT, IBDP Final Results, TOEFL iBT and IELTS. All Waseda undergraduate programs have access to these scores (except for IELTS) sent with the designated Waseda University code, so if you are applying to multiple Waseda undergraduate programs at the same time, you do not need to order scores for each program.</p> <p>2. Certificates must be prepared in English unless the original documents can only be issued in Japanese. For documents in other languages, attach an English translation notarized by your high school, an embassy or another appropriate office. The original certificates must be submitted along with its translation.</p> <p>● Grace Period Waseda University will accept scores until March 8, 2022 only for standardized tests that are conducted only once a year AND the results will be released after the deadline. If you submit your standardized test score after the application deadline, please follow the instruction of each school.</p>				
Notes	<ul style="list-style-type: none"> Your application will be screened without any standardized test (or you may submit the test results of SAT or ACT) if you fall under the following categories; the results of your country's/region's university entrance qualification examination or standardized test will be released after the deadline there is no national standardized test in your country/region 	<ul style="list-style-type: none"> Your application will be screened without any standardized test (or you may submit the test results of SAT or ACT) if you fall under the following categories; the results of your country's/region's university entrance qualification examination or standardized test will be released after the deadline there is no national standardized test in your country/region 	<ul style="list-style-type: none"> Submit the test results of SAT or ACT if you fall under the following categories; the results of your country's/region's university entrance qualification examination or standardized test will be released after the deadline there is no national standardized test in your country/region 	<p>1. Submit the test results of SAT or ACT if you fall under the following categories;</p> <ul style="list-style-type: none"> the results of your country's/region's university entrance qualification examination or standardized test will be released after the deadline there is no national standardized test in your country/region <p>2. Your examination subjects must include MATHEMATICS. If you have not taken mathematics in the standardized tests/university entrance qualification examinations (hereafter referred to as "standardized tests") held in your own country or if mathematics is not offered as an examination subject in your country's standardized tests, take the mathematics in SAT Subject Test or the ACT Test.</p> <p>3. The submission of English proficiency test scores is exempted only (1) applicants whose native language is English and/ or (2) applicants who will have studied full-time at least three of the most recent four years, by the time of enrollment at Waseda University, in a high school, college, or university where the sole language of instruction is English except for foreign language classes.</p>	<p>1. Submit the test results of ACT if you fall under the following categories;</p> <ul style="list-style-type: none"> the results of your country's/region's university entrance qualification examination or standardized test will be released after the deadline there is no national standardized test in your country/region your education system is not listed, or you are not sure which category your case falls into <p>2. Your examination subjects must include MATHEMATICS, PHYSICS and CHEMISTRY. If you have not taken any subjects (MATHEMATICS, PHYSICS or CHEMISTRY) in the standardized tests/university entrance qualification examinations (hereafter referred to as "standardized tests") held in your own country, or if these subjects are not offered as an examination subject in your country's standardized tests, take the ACT Test or take the Mathematics Level2, Physics and Chemistry in SAT Subject Test (only for those who already have a score) and submit the scores. If you have taken biology as a subject in your standardized tests, please submit the result.</p>
