 *If you are a native speaker of English, please kindly provide the relevant documents for verification.
- The GPA is the calculation (out of 4.0) based on the SILS curriculum. It is not based on the Centre for International Education's (CIE) calculation formulae.

3. In the event the country where the host institution is located has been declared “avoid unnecessary travelling” and/ or “unsafe for travel” due to infectious diseases, etc., (level 2 and above), application to the said institution(s) may be terminated. The SILS Office will be referring to the homepage of the Ministry of Foreign Affairs (MOFA Japan) with regard to the travel warnings, and the directives from the University’s Centre for International Education (CIE).

4. We would strongly encourage you to speak with your parent(s) and guardian(s) BEFORE you turn in your application. An overseas exchange is a valuable opportunity for academic and individual growth. It also comes with many important **personal responsibilities** and **financial liabilities**. Please also be fully prepared for any unforeseen circumstances, including any unexpected departure from the host institution/ country. **Permission from your parent(s)/ guardian(s) is obligatory**. The signatures will be verified when necessary.
5. As a result of the ongoing worldwide situation, how classes will be conducted in the fall semester of 2022 remains to be fully decided at many of our partner universities. We have been advised by some of our partners that all their classes in the fall semester of 2021 are back on campus and they will no longer offer online courses to exchange students. Many countries continue to impose extremely strict borders regulations, and MOFA Japan maintains “high alert” on overseas travels. It is not guaranteed that travel to the host institution is fully possible at this juncture. We would strongly encourage you to weigh all the potential risks, rank your priorities, consider your future plans very carefully, especially with regard to your graduation, before you submit your application to the SILS Office.
6. The list is subject to change. You are strongly encouraged to list the universities in order of preference.
