 *If you are a native speaker of English, please kindly provide the relevant documents for verification. Some universities still require a native speaker of English to turn in an official language score. In doubts, please contact the SILS Office.
2. The GPA is the calculation (out of 4.0) based on the SILS curriculum. It is not based on the Centre for International Education's (CIE) calculation formulae.
3. In the event the country where the host institution is located has been declared "avoid unnecessary travelling" and/ or "unsafe for travel" due to diseases, conflicts and other unforeseen circumstances, etc., (level 2 and above), the application to the said institution(s) may be terminated. The SILS Office will be referring to the homepage of the Ministry of Foreign Affairs (MOFA Japan) regarding the travel warnings and the directives from the University's Centre for International Education (CIE).

4. The SILS Office would strongly encourage you to speak and consult with your parent(s) and guardian(s) BEFORE you turn in your application. An overseas exchange is a valuable opportunity for academic, social and individual growth. It also comes with many important **personal responsibilities** and **financial liabilities**. Please also be fully prepared for any unforeseen circumstances, including any unexpected departure from the host institution/ country. **Permission from your parent(s)/ guardian(s) is obligatory**. The signatures will be verified and the SILS Office will contact your parent(s) and guardian(s) when in doubts.
5. The SILS Office has been advised by our partners that all their classes in the fall semester of 2023 are back on campus, barring any unforeseen circumstances. We would strongly encourage you to weigh all the potential risks (including finances and payment), rank your priorities, consider your plans with extreme care, especially regarding your graduation, job-hunting related matters, application to graduate school, etc., before you submit your application to the SILS Office.
6. The list is subject to change. You are strongly encouraged to list the universities in order of preference.
