NOTE:

1) Requirements on original documents

On TAO, you will first upload PDF versions of the original/certified documents and certificates to follow our online application process. However, later as part of our enrollment procedures, successful applicants will be required to prove their originality either by submitting their physical copies by post, having their official versions sent by e-mail from the issuing organization, or using digital credential services. If you are unable to do so by the designated deadline, you will be considered to have failed to meet our enrollment qualifications. Any discrepancies may be considered as falsification/fabrication of application documents, and your admission may be revoked. For more details, refer to P. 21 Step 6: Complete the Enrollment Procedures.

2) Applicant's name on documents

Note that all the documents must be issued under your legal name written in English alphabet on your passport. If the name used on the application documents differs from the name on your passport, upload documentation with your passport in the Personal Detail section to prove that all names belong to the same person.

3) Language specification

Certificates issued in English are accepted. If they are originally issued in any other language, attach an English translation to the original. The translation must be prepared either by the issuing institution (e.g., your high school) or by a translation agency/office officially approved by the government.

First Enrollment Procedures - Action 2: Submit visa-related documents

If your nationality is not Japanese and you are not a legal resident in Japan, the School will apply for the Certificate of Eligibility (COE) on your behalf. Detailed procedures will be notified to the successful applicants only.

<What is a Certificate of Eligibility (COE) ? >

A Certificate of Eligibility (COE) is a document which is issued by the Immigration Services Agency as evidence that the applicants meet the conditions for landing in Japan and applying for a visa.

International students who are admitted to Waseda University are able to apply for a status of residence "Student". Those with the status of residence "Student" are eligible to apply for tuition reduction/exemptions and scholarships for international students. Be aware that those with a status of residence other than "Student" cannot use various services or systems intended for international students as stated above.

Take note that students are not eligible to enroll in the University with a "Temporary Visitor" visa status. Carefully read below and take the necessary measures.

<Visa Application Procedures>

In order to apply for a status of residence, you will first need to obtain a certificate of eligibility (COE) from the Immigration Services Agency, located in Japan. Limited to students with foreign citizenship and living outside of Japan who have completed enrollment procedures, Waseda University will apply for a COE to the Immigration Services Agency on the student's behalf.

After the COE is issued, Waseda University will send it to the student. Upon receiving the COE, **you will need to take the COE and other documents (e.g. your passport) to the Japanese embassy or consulate in your country of citizenship/residence to apply for a "Student" visa.** The COE expires in 3 months of issuance, so be sure to acquire your visa within 3 months and enter Japan.

<"Student" Visa Acquisition Process (1 → 2 → 3 → 4 → 5 → 6)>

NOTE:

- 1) The entire process takes **approximately two to three months** thus submit the COE documents at the time of enrollment procedures.
- 2) **If you hold a dual citizenship of Japan and another country, you cannot apply for the COE/Student visa.**
- 3) If you currently have a status of residence "Student", process the "application for extension of period of stay" as necessary. You are able to apply for an extension of period of stay up to three months before your status of residence expires. Please contact the Immigration Services Agency for further details.

- 4) If you have a status of residence “Temporary Visitor”, as a general rule, you will need to temporarily leave Japan and apply for status of residence “Student.” For details on how to apply for a status of residence “Student,” please refer to the above.
 - 5) If you finish the activity that falls under your current status of residence, you will need to change your status of residence to “Student. If you currently have a status of residence such as “Long Term Resident”, “Dependent” etc., there is no need for you to undertake any procedures. However, if you wish to change your status of residence to “Student,” you will need to apply for a change of status of residence. For more details, contact the School.
 - 6) Waseda University acts on your behalf to apply for a “Student” status of residence only. If you wish to apply for other types of status of residence, you need to make an application by yourself at the Immigration Services Agency.
 - 7) If you do not submit the necessary documents or the submitted documents are incomplete, Waseda will not be able to apply for a COE on your behalf.
 - 8) The Immigration Services Agency may require you to submit additional documents.
 - 9) An applicant who wishes to withdraw from enrolling in Waseda after receiving the COE must follow the procedure for the withdrawal of enrollment and immediately return the COE to Waseda University. If you are accepted by another university in Japan, please make sure that you do not apply for a COE at more than one university. If there are multiple applications, the COE cannot be issued.
- The Immigration Services Agency is solely responsible for decisions regarding status of residence. If issuance is delayed or application is not approved, Waseda University cannot be held responsible for the cancellation fee of your air ticket and other inconveniences. Please be careful when you book your flight.
