◆ Every semester there are students who try to register courses after the designated registration period, but such action will not be allowed under any circumstances as students

are expected to register courses within the designated period. Also note that the instructor does not have any authority over course registration and getting permission from the instructor will not do anything. Make sure to complete the registration well before the deadline and if any problems arise, contact the SILS office by email (sils-ac@list.waseda.jp) before the registration period is over.

- ◆The online course registration system is not available for use between 2 am and 7 am (JST) every day due to the system maintenance.

(*1) Not all students are eligible to register the Advanced Seminar. Read the “Advanced Seminar registration guide” which is posted on the SILS website (<http://www.waseda.jp/fire/sils/en/students/registration/>) for details.

Some seminars may conduct screening interviews.

(*2) You can see the course list at <http://www.waseda.jp/fire/sils/en/students/registration/>, which will be uploaded in September.

(*3) You can register only one SILS course in the Preference registration. If two or more courses are registered, all the registered classes will be automatically cancelled. If too many students register for one course and exceed the class capacity, computerized lottery will be held to decide who will be registered.

(*4) For information on registering university-wide open courses, see the guidebook or the website of Global Education Center and Center for Japanese Language.

(*5) Some university-wide open courses require audit fee/course enrollment fee (see the university-wide open course guidebook for details). Students taking these courses will receive an email on how to pay the fee, so make sure to follow the instruction and pay the fee during the designated period. Making payment after the deadline is not allowed at any reason. There will be no special measure or consideration even if the cancelled courses due to unpaid fee are essential for graduation, etc.

(*6) Courses offered by other schools including GEC can be dropped during Third course registration. However, Courses listed below CANNOT be dropped under any circumstances. So be careful when you register them. This rule cannot be applied to SP3 students.

[Courses CANNOT be dropped]

- Courses offered by the Global Education Center (GEC) that require Audit Fee/Course Enrollment Fee
- “Academic Writing in Japanese” offered by Global Education Center (GEC)
- Courses offered by other universities
- “教育実習演習”, “教職実践演習”, “介護体験実習講義” offered by School of Education
- Some of the courses offered by other undergraduate schools
