(b) We are aware that some high schools/institutions have a policy of keeping documents confidential from students. In this case, ask your high school to upload the required certificates directly on [the designated form](#).

(c) Only for non-Japanese nationals residing in Japan.

NOTE:

1) Requirements on original documents

On TAO, you will first upload PDF versions of the original/certified documents and certificates to follow our online application process. The documents must be issued for third-party use; simple screenshots of the grade report webpage intended for the student or their guardians are not acceptable. However, later as part of our enrollment procedures, successful applicants will be required to prove their originality either by submitting their physical copies by post, having their official versions sent by e-mail from the issuing organization, or using digital credential services. If you are unable to do so by the designated deadline, you will be considered to have failed to meet our enrollment qualifications. Any discrepancies may be considered as falsification/fabrication of application documents, and your admission may be revoked. For more details, refer to P. 17 Step 6: Complete the Enrollment Procedures.

2) Applicant's name on documents

Note that all the documents must be issued under your legal name written in English alphabet on your passport. If the name used on the application documents differs from the name on your passport, upload documentation with your passport in the Personal Detail section to prove that all names belong to the same person.

3) Language specification

Certificates issued in English are accepted. If they are originally issued in any other language, attach an English translation to the original. The translation must be prepared either by the issuing institution (e.g., your high school) or by a translation agency/office officially approved by the government.

【日本の高等学校の場合】日本の教育課程に加えて日本の教育課程以外の部分の科目・成績を含めた日本語の調査書を提出してください。それができない場合は、日本語の調査書と（日本語または英語の）日本の教育課程以外の成績表を両方提出してください。

4) Meeting the deadline

All application documents, including ones directly sent from your high school or other institutions, must be received by the School no later than the designated deadline. Those that arrive after the deadline will not be accepted under any circumstances. We do not notify applicants about the delivery status of application documents (including electronic scores). Verify on your own that the procedure for having the score report sent directly from the testing organization has been properly completed.

IMPORTANT:

In recent years, there have been many cases in which applicants' names, dates of birth, issuance dates, grades, or test scores are incorrectly stated on certificates issued by schools or testing institutions. Please carefully check that all information is correct before uploading documents to TAO.

1. Proof of Applicant Eligibility

Prepare a PDF version of a certificate proving you have completed or are scheduled to complete a secondary education curriculum. The certificate must show your legal name in alphabet, date of birth, the official name of the school in English, (expected) graduation date, and the issuance date. The issuance date of Certificate of Graduation must be on or after the actual graduation date.

NOTE:

- 1) Provide the contact person's information (name, affiliation, title, school domain e-mail address) in the space provided on TAO. The contact person should be a principal, counselor, registrar, or instructor of the issuing institution (e.g., your high school). We may reach out to your contact person to verify the information submitted on TAO.
- 2) If the academic transcript shows your (expected) graduation date and (expected) graduation status, you do not need to prepare a separate document.
- 3) If your high school does not issue a certificate of graduation (or expected graduation), use the "[Template for Certificate of Graduation/Expected Graduation](#)," which you can download from the School website.
- 4) If you did not graduate from high school but passed the university entrance qualification test (high school equivalency examination), submit the documents certifying this fact, instead of the certificate of high school graduation.
- 5) The documents should be in English or with an English translation, but certificates of (expected) graduation in Japanese can be accepted when the original documents can only be issued in Japanese.
- 6) If you are studying or have studied at a high school in China, please let us know if you will sit/have sat for China High School Academic Proficiency Test (Huikao/会考) on TAO. If you have the results, upload a PDF version of "Verification Report of China High School Academic Proficiency Test (Huikao) Results" issued in English by CSSD (学信网). Verification Report must include your legal name in alphabet and verification QR code. Only report issued by CSSD will be considered valid. Huikao results are used only for the purpose of reviewing applicants' eligibility. Note that documents issued by CSSD (学信网) may take up to one month to be issued after application.
If you will sit/have sat for the test, you will be asked to send English version of "Verification Report of China Secondary Education Qualification Certificate(中国中等教育学历验证报告 issued in English)" (not the Huikao results) directly from CSSD (学信网) as a part of our enrollment procedures.
- 7) 【日本の高等学校を卒業見込みの場合】IB プログラムに在籍する日本の高校卒業見込者は、卒業見込証明書ではなく、志願者の氏名・生年月日・学校名・ディプロマ取得見込年月日の記載された、IB ディプロマ取得見込証明書をご用意ください。日本語で作成されたものでもかまいません。高校で所定の様式がない場合は、国際教養学部ウェブサイトに掲載の「[Template for Certificate of Prediction of IB Diploma](#)」を使用してください。

2. Academic Transcript

Prepare a PDF version of academic transcripts/school reports issued by your high school (or an equivalent institution) from Grade 10 onwards up to the most recent academic term as specified in the “List of Application Documents by Education System,” which can be found on the School website and the front page of this Guide. The certificate must show your legal name in alphabet, the official name of the school in English, and the issuance date.

NOTE:

- 1) If you have been enrolled in more than one school, submit the academic transcripts from all the schools that you have been enrolled in.
- 2) If you have passed the university entrance qualification test (high school equivalency examination), submit the documents certifying this fact and the score. If you have been enrolled in high school in the past, submit an academic transcript for the entire period of your high school enrollment.
- 3) If you are studying or have studied at a tertiary education institution (university, junior college, etc.), submit an academic transcript with grades for the period until the most recent academic term at the time of application.
- 4) If you are unable to submit grades for the designated period due to COVID-19 (e.g., letter grades being suspended, courses taken during a semester not shown due to school closure, etc.), you may submit the transcripts which your high school is able to issue at the time of application.
- 5) If you have graduated from your school, submit the academic transcript issued on or after the graduation date.
- 6) If you have been enrolled in a school for more than 6 months and are unable to submit grades for that period, submit a support letter of explanation issued by the school.

NOTE:

- 2) A photocopy of the school website, school profile, or any other official document issued by your high school which certifies the grading scale/system is acceptable.

First Enrollment Procedures - Action 2: Submit visa-related documents

If your nationality is not Japanese and you are not a legal resident in Japan, the School will apply for the Certificate of Eligibility (COE) on your behalf. Detailed procedures will be notified to the successful applicants only.

<What is a Certificate of Eligibility (COE) ? >

A Certificate of Eligibility (COE) is a document which is issued by the Immigration Services Agency as evidence that the applicants meet the conditions for landing in Japan and applying for a visa.

International students who are admitted to Waseda University are able to apply for a status of residence "Student". Those with the status of residence "Student" are eligible to apply for tuition reduction/exemptions and scholarships for international students. Be aware that those with a status of residence other than "Student" cannot use various services or systems intended for international students as stated above.

Take note that students are not eligible to enroll in the University with a "Temporary Visitor" visa status. Carefully read below and take the necessary measures.

<Visa Application Procedures>

In order to apply for a status of residence, you will first need to obtain a certificate of eligibility (COE) from the Immigration Services Agency, located in Japan. Limited to students with foreign citizenship and living outside of Japan who have completed enrollment procedures, Waseda University will apply for a COE to the Immigration Services Agency on the student's behalf.

After the COE is issued, Waseda University will send it to the student. Upon receiving the COE, **you will need to take the COE and other documents (e.g. your passport) to the Japanese embassy or consulate in your country of citizenship/residence to apply for a "Student" visa.** The COE expires in 3 months of issuance, so be sure to acquire your visa within 3 months and enter Japan.

<"Student" Visa Acquisition Process (1 → 2 → 3 → 4 → 5 → 6)>

NOTE:

- 1) The entire process takes **approximately two to three months** thus submit the COE documents at the time of enrollment procedures.
- 2) **If you hold a dual citizenship of Japan and another country, you cannot apply for the COE/Student visa.**
- 3) If you currently have a status of residence "Student", process the "application for extension of period of stay" as necessary. You are able to apply for an extension of period of stay up to three months before your status of residence expires. Please contact the Immigration Services Agency for further details.
- 4) If you have a status of residence "Temporary Visitor", as a general rule, you will need to temporarily leave Japan and apply for status of residence "Student." For details on how to apply for a status of residence "Student," please refer to the above.
- 5) If you finish the activity that falls under your current status of residence, you will need to change your status of residence to "Student". If you currently have a status of residence such as "Long Term Resident", "Dependent" etc., there is no need for you to undertake any procedures. However, if you wish to change your status of residence to "Student," you will need to apply for a change of status of residence. For more details, contact the School.
- 6) Waseda University acts on your behalf to apply for a "Student" status of residence only. If you wish to apply for other types of status of residence, you need to make an application by yourself at the Immigration Services Agency.
- 7) If you do not submit the necessary documents or the submitted documents are incomplete, Waseda will not be able to

- apply for a COE on your behalf.
- 8) The Immigration Services Agency may require you to submit additional documents.
 - 9) If you are accepted by another university in Japan, please make sure that you do not apply for a COE at more than one university. If there are multiple applications, the COE cannot be issued.
 - 10) The Immigration Services Agency is solely responsible for decisions regarding status of residence. If issuance is delayed or application is not approved, Waseda University cannot be held responsible for the cancellation fee of your air ticket and other inconveniences. Please be careful when you book your flight.
