

[Important]

Attention Fourth-year or above Undergraduate Students of JCulP OS!

Announcement of Screening Result of Status for Graduation

Screening results regarding the status for graduation in September 2025 for fourth-year and above JCulP OS students will be announced on the following date on the Grade Report of MyWaseda.

After 9:00 am Monday, May 12, 2025

The “Status for Graduation” is granted to students who are expected to satisfy the requirements for graduation in September 2025 based on the credits acquired up to the previous semester and the courses they have registered for in this spring semester. The screening results regarding the status for graduation in the previous semester was made based on the assumptions that the students would pass all the courses they have registered for in the fall semester and that registration would be properly made with no missing subjects in the spring semester. **Even if you have the “Status for Graduation” as of the previous semester, your status may be “Impossible Status for Graduation” according to the judgment made for the spring semester if, for example, you failed any of the subjects taken in the fall semester, you failed to enroll in a required subject offered only in fall semesters, or you failed to properly register your courses in the spring semester.**

Please note that **“Certificates of Expected Graduation” can not be issued from April 25 to ~~June 1~~ June 3 AM(* The change was made due to maintenance of the certificate issuance service)** due to this screening.

If you expect to graduate in September 2025, but your status is “Impossible Status for Graduation”, there may be a problem related to the credits you have acquired up to the fall semester or course registration for this spring semester. **Please come or send an email to the Administrative Office of the Faculty of Letters, Arts and Sciences by 16:00 JST on Tuesday, May 13.** (* Email address: toyama-seiseki@list.waseda.jp. No requests via phone calls will be accepted.)
Students who do not contact the office in person by 16:00 JST on Friday, May 10 are deemed to have agreed with the announced decisions.
