

To those who will submit a Master's thesis in March 2026,

[Important] Submission Period for Master's Thesis Titles for March 2026

If you will submit your Master's thesis in March 2026, please submit "Master's thesis title" by following the instructions below.

*Please note that if you do not submit it, you cannot submit your Master's thesis.

○ **Be sure to check Master's thesis title with your supervisor before applying.** (After submission, we will confirm your application with your supervisor.)

○ **Please submit your Master's thesis title again,** even if you have submitted it in the past.

■ **Confirmation with your supervisor** (via Waseda mail or Waseda Moodle):

Thursday, October 2nd to Thursday, October 9th

■ **Submission Period:**

Thursday, October 9th, 9:00 a.m. to Wednesday, October 22nd, 5:00 p.m.

■ **Submission Method:**

Please submit your thesis title through the form by clicking the link provided in the notification email from MyWaseda released in early October.

[Attention]

*Enter the subject only. Do not enter a subtitle.

*Make sure the title matches the one you checked with your supervisor.

*We cannot accept a submission after the Submission Period, even if it is caused by system errors.

*The title of the master's thesis data you will submit in January 2026 must be identical word for word with the thesis title submitted through the application form. (adding a subtitle is not a problem).

***After submission, your submitted title will be sent to your Waseda mail address within a few days. Please print or save the e-mail so that you can review it later.**
