## 國際關係研究領域 International Relations

### Notice:

Students in the International Relations research area are required to read all of the materials listed below: in the categories of both 'Basic' and 'Advanced' readings. Students in other research areas are required to read materials in the category of 'Basic' readings. In other words, questions of the qualifying examination for the latter, i.e., students in other research areas than the International Relations research area, will be related only to the materials in this category. When you can find Japanese translation versions, you are strongly recommended to read their original English versions.

Almost all materials are available at various libraries of Waseda University. Some materials are available online; we advise you to visit Waseda E-Resource Portal. You still need to make a physical visit to the libraries. You will find the locations in the square brackets at the end of each item. As for each location and its abbreviation, see the table below.
