

GLOBAL ISSUES SEMINAR

‘History and Activities of Medecins Sans Frontieres’

14, 21, and 28 November

ABOUT THIS SEMINAR COURSE

The Graduate School of Political Science launches Global Issues Seminar which is a lecture and seminar series designed for the undergraduate and graduate students who are interested in working for global society through joining NGOs and international organizations in the future.

THE FIRST LECTURE SERIES

The first lecture series of the Global Issues Seminar, ‘History and Activities of Medecins Sans Frontieres’, will be held as follows, by inviting three lecturers from Medecins Sans Frontiere (Doctors Without Borders). This series would be very helpful for the students who are interested in working to improve global health in the future.

Operational Communications, MSF Holland

REGISTRATION

If you intend to join this first lecture series, please let us know by email to the following address of the course coordinator by 13 November 2013. If the attendants are so many, we may have to change the venue for the lectures.

We also would like to make a mailing list for the students who are interested in Global Issues Seminar in order to send information about the forthcoming series. If you are interested, please let us know.

Course Coordinator: Professor Takahiko TANAKA
