

Form for Alternative English Language Proficiency Tests

While SPSE recommends scores from TOEFL iBT or IELTS Academic, we will accept other English proficiency tests for the 2021 Admission by Transfer in response to current circumstances related to the coronavirus/COVID-19 pandemic. When you submit other English proficiency tests scores, you must submit this form along with other application documents. In addition, *you must place an order with the testing service to have them report your scores directly to Waseda University.* With regards to the methods for submissions of English language proficiency test scores, please refer to the “Application Guidelines”.

- TOEFL iBT Special Home Edition
