

## Call for SPSE Student Groups 2021

### SPSE Student Groups

The School of Political Science and Economics seeks to support students' interaction. With the goal of facilitating student interaction across cohorts, programs (JDP/EDP) and nationalities, we call for SPSE student groups. Passing the screening by SPSE, SPSE student groups will be entitled to the support services shown below:

- (1) Application for the Extracurricular Activity Subsidization provided by the Student Affairs Section.
- (2) Application for use of common classrooms
- (3) Substitute emailing of event notifications to SPSE students

Notes:

- As SPSE does not have any official student groups, SPSE student groups are regarded as unofficial circles\* under the Waseda University. Activities by SPSE student groups are autonomously and voluntarily organized by SPSE student groups, not official events of SPSE. As such, no SPSE student groups are allowed to use expressions like "official SPSE event" or "SPSE Administrative Office-recognized."
  - \* If you wish to register your group as an official circle at Waseda University, you need to take necessary steps in accordance with the guidelines by the Student Affairs Section.
- The Student Affairs Section provides students with university-wide various services. The support services by SPSE Administrative Office listed above purpose liaisons between the Student Affairs Section and SPSE student groups.
- SPSE may solicit voluntary cooperation from SPSE student groups in implementing its official events.
