香港科技大学

Hong Kong University of  
Science and Technology

The Hong Kong University of Science and Technology (HKUST) established in 1991 is well known for an eminent research university regularly ranked high in world university rankings. The School of Humanities and Social Science prepares front-runners of tomorrow in business, government, education and engineering, and trains humanists and social scientists to work inside and outside academia. The School will provide students with skills in social and cultural analysis and communications. This Exchange Program gives you an opportunity to study with a wide range of faculty expertise and boundary-free curriculum which enables you to acquire broad-based knowledge derived from diverse human civilizations; globally-derived skills of research, writing, and critique; and an awareness of civic duty and social responsibility.
