

July 31, 2024

Dear EDP students who entered in AY2023,

SPSE Administrative Office

### Notification regarding incorrect information in School Study Guide and Postings

"AY2023 EDP School Study Guide" and "System for Graduating in 3.5 Years (For students entering in or after 2023)" posting on our website contain some errors. We have corrected them as follows and re-uploaded the corrected versions. We apologize for any inconvenience caused.

✓ Details of the revision

- ① On page 6 of the "AY2023 EDP School Study Guide," in (3) Course registration after application

【Before revision】

Students who have been judged as eligible to graduate in 3.5 years will be able to register for 24 credits in the fall semester of their fourth year.

【After revision】

Students who have been judged as eligible to graduate in 3.5 years will register for courses to fulfill the required number of credits for graduation by the last semester.

- ② On the "System for Graduating in 3.5 Years (For students entering in or after 2023)" in (3) Course registration after application

【Before revision】

Students who have been judged as eligible to graduate in 3.5 years will be able to register for 24 credits in the fall semester of their fourth year.

【After revision】

Students who have been judged as eligible to graduate in 3.5 years will register for courses to fulfill the required number of credits for graduation by the last semester.
