

Faculty of Political Science and Economics, Waseda University
Faculty Recruitment in Empirical Microeconomics

The Faculty of Political Science and Economics at Waseda University invites applications for a tenured position in Empirical Microeconomics to begin in the fall of 2027 or the spring of 2028 (or a mutually agreed later date).

Waseda University, founded in 1882, is a leading private research university located in central Tokyo. As part of its globalization efforts, the Faculty of Political Science and Economics has been offering degree programs in English for both undergraduate and graduate students since 2010, in addition to long-standing degree programs in Japanese. The programs provide diverse and dynamic academic opportunities for talented students from all around the world.

1) Affiliation

Faculty of Political Science and Economics (FPSE), Waseda University

2) Field

Empirical Microeconomics

3) Qualifications

- An outstanding research record in the field of empirical microeconomics
- In addition to courses in their specialized field, the candidate should be able to teach econometrics at the undergraduate and graduate levels.
- Ability to teach courses in Japanese and English
- The candidate must demonstrate a strong commitment to academic research and education.
- A Ph.D. degree

4) Teaching Responsibilities

Courses related to applied microeconomics and econometrics for both the School of Political Science (Undergraduate Program) and the Graduate School of Economics (Master's and Doctoral Programs).

5) Number of positions available

1

6) Position rank and title

Professor (tenured), Associate Professor (tenured)

The rank will be determined by such factors as the applicant's academic and research record, as well as the committee's evaluation during the screening process.

7) Working conditions

- Salary, allowances, and commuting expenses are commensurate with qualifications and are based on Waseda University pay scales.
- The workplace will, in principle, be on the Waseda University campus.
- Scheduled working days and working hours are based on university regulations. Considering the nature of research work, working hours are at the discretion of each faculty member.
- Holidays are Saturdays, Sundays, New Year's holidays, legally recognized public holidays, and compensatory holidays appointed by the University for holding classes on public holidays and the anniversary of the University's founding. Holidays prescribed as working days by the University in advance will be excluded. There may be cases where classes and other types of FPSE work will be scheduled on holidays. Employees may take compensatory holidays for those occasions. For the academic calendar of the

university, please see:

<https://www.waseda.jp/top/en/about/work/organizations/academic-affairs-division/academic-calendar>

- Leave is determined by the Labor Standards Act and other related laws, including days that are designated by the University as leave days.
- Pension, health insurance, labor insurance, and employment insurance are provided based on university regulations.
- Research funding includes an individual research allowance of 215,000 yen per year, an academic conference traveling subsidy of 90,000 yen per year, and an international academic conference traveling subsidy of 110,000 yen per year. Other competitive research funds are available at Waseda University.
- Retirement benefits will be paid to tenured Professors and tenured Associate Professors in accordance with university regulations. No retirement benefits will be provided to Associate Professors (tenure-track) and Assistant Professors (tenure-track). However, if they continue to serve as tenured faculty members after the term as tenure-track faculty members, retirement benefits will be provided in accordance with university regulations. The period of service for calculating the retirement benefits of a tenured faculty member is counted from the date of appointment as Assistant Professor (tenure-track) or Associate Professor (tenure-track) at Waseda University.

8) Scheduled start of employment

September 1, 2027, or April 1, 2028 (or a mutually agreed later date)

9) Application procedure

- All applications must be submitted via the following website:
https://www.wasedapse.jp/en/fpse1/eng_input.php
- On the web application form, in the “Application Category” section, please select one of the following options based on where you are applying.

Apply to	“Application Category”
“Empirical Microeconomics” only	Please select “(i) Empirical Microeconomics”.
Both of “Empirical Microeconomics” and “Empirical Economics (Any Field)” (*)	Please select “(i) Empirical Microeconomics and (ii) Empirical Economics (Any Field)” (*).

(*) Applicants for “Empirical Microeconomics” may choose an option whereby submission of application materials for it is deemed to constitute an application for “Empirical Economics (Any Field)”, which is currently being advertised separately. For more details about “Empirical Economics (Any Field)”, please refer to the information below.

<https://www.waseda.jp/fpse/pse/news-en/2026/08/04/26955/>

Please note that the requirements differ for the two positions listed above.

- Please prepare PDF copies of the following documents and upload each document to the relevant sections of “Application Documents.”
- Please be sure to read the “Notes for using the Web Application Form” from the link below before filling in the Web Application Form.
https://www.waseda.jp/fpse/pse/assets/uploads/2020/01/20200128_Notes-for-using-the-Web-Application-Form.pdf
- Templates for the cover letter and curriculum vitae are available from the following website:
<https://www.waseda.jp/fpse/pse/news-en/2026/08/04/26944/>

- I. Cover letter with your contact information
Download the prescribed form from the above website. Fill out the form and upload it to the section “(1) Application Form/Cover Letter.”

- II. Curriculum vitae with a list of academic/research accomplishments
Upload it to the section “(2) Curriculum vitae with a list of academic/research accomplishments.” Use either a format of your choice or our formats found on the website. Please put both curriculum vitae and academic/research accomplishments into a single PDF file when you use our formats.

- III. Research statement
No more than 2,000 words (in English). Describe your past research and future research plans, referring to the primary academic works that you will submit along with your application documents. Any format is acceptable.
Upload it to the section “(3) Additional application material 1.”

- IV. Teaching statement
Please compile the following items (A and B) in a single PDF file and upload it to the section “(3) Additional application material 2.” Any format is acceptable.

(4-A) Your teaching philosophy for teaching econometrics at the undergraduate level (approximately 500 words in English).
Note: Applicants should be prepared to give the mock lecture in both Japanese and English during the second-stage screening.

(4-B) Your course evaluations and any other evidence of your teaching ability (if applicable)

- V. Primary academic works (three or fewer)
Please compile your primary works (three or fewer) into a single PDF file and upload the file to the section “(3) Additional application material 3.”

- VI. [Degree holder] A copy of the diploma of your Ph.D. degree or a certificate of degree conferral: Upload it to the section “(3) Additional application material 4.”

When uploading each file to the relevant sections, please title each file as follows. Please insert your last name where it says “YOURLASTNAME” in the below file names (e.g. 01_WASEDA.pdf).

Your document	Name of your document	Upload Category
1) Cover letter (The prescribed form)	01_YOURLASTNAME.pdf	(1) Application form/Cover letter
2) CV	02_cv_YOURLASTNAME.pdf	(2) Curriculum Vitae with a list of academic/professional accomplishments
3) Research Statement	Research_YOURLASTNAME.pdf	(3) Additional application material 1
4) Teaching Statement	Teaching_YOURLASTNAME.pdf	(3) Additional application material 2

5) Three major works	Work_YOURLASTNAME.pdf	(3) Additional application material 3
6) Document regarding your doctoral degree	Degree_YOURLASTNAME.pdf	(3) Additional application material 4

When your application has been submitted successfully, you will receive an automatic reply titled “Notification of completion of registration (Waseda University)” to the email address you gave on the Web Application Form. Please be sure to check that all the information you submitted and the documents you uploaded are shown in the email.

10) Letters of Recommendation

Applicants are requested to prepare letters of recommendation according to the following instructions, depending on whether they currently hold tenure.

- Applicants without tenure: Please follow Pattern 1. Also, please write "pattern1" in Reference 5 >> Name.
- Applicants with tenure: Please follow Pattern 2. Also, please write "pattern2" in Reference 5 >> Name.

(1). Pattern 1: Applicant requests letters of recommendation

Applicants must list the names, affiliations, titles, and contact information (email addresses) of two referees in the “References” section of the application form who can be recommenders. Applicants are required to ask these referees to write and submit letters of recommendation. The recommender, not the applicant, must submit the letter by the application deadline.

- Requirements:
Each letter of recommendation must meet the following conditions:
 - Language: Japanese or English
 - Addressee: Senior Dean, the Faculty of Political Science and Economics, Waseda University
 - Format: Must include the referee’s signature at the end
 - Submission method: The referee must submit the letter by one of the following methods:
- Submission methods:
 - Email (the message must arrive on or before the application deadline):
The referee must send a PDF file (with the signature) from their official institutional email address to the following address.
Email: pse-hr-empmic26@list.waseda.jp
 - Subject: Letter of Recommendation for Empirical Microeconomics
 - Post (the envelope must be postmarked on or before the deadline):
The referee must send the letter to the address below, with the envelope clearly marked in red with:” Letter of Recommendation for Empirical Microeconomics”
Address:
Senior Dean, the Faculty of Political Science and Economics
Waseda University
1-6-1 Nishi Waseda
Shinjuku, Tokyo 169-8050 Japan

(2). Pattern 2: University contacts referees directly

Applicants must list the names, affiliations, titles, and contact information (email addresses) of two references in the “References” section of the application form who can be contacted regarding the applicant. If the candidate makes it to the second stage, we will ask them to provide us with a letter of recommendation.

11) Deadline

The application deadline is 1 p.m. on 15 October, 2026 (JST).

12) Recruitment process

There will be three stages to the recruitment process: 1) Shortlisting based on document screening. 2) An interview with members of the search committee, including a mock lesson and a research presentation. 3) An interview with the FPSE's senior dean and the executive committee members.

The result of the recruitment process will be made known to the candidate. The schedule of the second stage, including travel arrangements, will be made known to candidates who pass the first stage.

13) Inquiries

Inquiries should only be made by email to pse-hr-empmic26@list.waseda.jp

Waseda University is committed to enhancing diversity and inclusion. In all matters related to faculty recruitment and promotion, the University prohibits any form of discrimination on the basis of sex, disability, sexual orientation and gender identity, nationality, ethnicity, creed, and age.

Waseda University also aims to create an environment in which all members of the University are respected for their dignity and diverse values and lifestyles, and can fully develop their individuality and abilities, by providing various support services such as those for female researchers, childcare, nursing care, etc.

You can find more information about the support services here:
