

For Exchange Students (**UNDERGRADUATE** Program Only)

Faculty of Science and Engineering, Waseda University offers two programs for Exchange Students as follows;

- ① Japanese Based Program
- ② English Based Program.

Important Note:

- While all departments offers Japanese Based Program for Exchange students, some departments DOES NOT open English Based Program for Exchange students.
- Exchange students are able to take the courses offered by the department and its program you have selected (at Waseda). You cannot take any courses offered by other schools, by other departments or by other program.

① Japanese Based Program (Courses conduct in JAPANESE)

School	Department	Program offer for Exchange students
Fundamental Science and Engineering	Mathematics	Yes
	Applied Mathematics	Yes
	Applied Mechanics and Aerospace Engineering	Yes
	Electronic and Physical Systems	Yes
	Computer Science and Engineering	Yes
	Communications and Computer Engineering	Yes
	Intermedia Art and Science	Yes
Creative Science and Engineering	Architecture	Yes
	Modern Mechanical Engineering	Yes
	Industrial Management and Systems Engineering	Yes
	Civil and Environmental Engineering	Yes
	Resources and Environmental Engineering	Yes
Advanced Science and Engineering	Physics	Yes
	Applied Physics	Yes
	Chemistry and Biochemistry	Yes
	Applied Chemistry	Yes
	Life Science and Medical Bioscience	Yes
	Electrical Engineering and Bioscience	Yes

② English Based Program (Courses conduct in ENGLISH)

School	Department	Program offer for Exchange students
Fundamental Science and Engineering	Mathematics	Yes
	Applied Mathematics	Yes
	Applied Mechanics and Aerospace Engineering	No

	Electronic and Physical Systems	No
	Computer Science and Engineering	Yes
	Communications and Computer Engineering	No
	Intermedia Art and Science	No
Creative Science and Engineering	Architecture	No
	Modern Mechanical Engineering	No
	Industrial Management and Systems Engineering	No
	Civil and Environmental Engineering	Yes
	Resources and Environmental Engineering	No
Advanced Science and Engineering	Physics	Yes
	Applied Physics	Yes
	Chemistry and Biochemistry	Yes
	Applied Chemistry	Yes
	Life Science and Medical Bioscience	Yes
	Electrical Engineering and Bioscience	No
