

December, 2014

To all students to be admitted to the Master's Program in the Department of Nanoscience and Nanoengineering

Notice regarding the Seminar Fees

The total amount of tuition fees vary within the same department because seminar fees for academic year 2015 vary by laboratory.

Please check with the list below and the Guide to Entrance Procedures to make sure that the amount shown on the payment slip we handed you is correct.

Code Number	Reserch Instruction	Name of Supervisor (Main-Supervisor/ Vice- Supervisor)	Seminar Fee (unit: Yen)
Q03	Nano-Device	KAWARADA Hiroshi	39,750
Q04	Nano and Microsystem	SHOJI Shuichi	39,750
Q06	Nano Material Infomatics	WATANABE Takanobu	39,750
Q15	Nano-Chiral Science	ASAHI Toru	39,750
Q17	Semiconductor Quantum Physics	TACKEUCHI Atsushi	39,750
Q19	Nano-Photonics	UTAKA Katsuyuki	39,750
Q24	Molecular Nano-engineering	TANII Takashi	39,750
Q25	Electrochemical Nano-Systems	OSAKA Tetsuya MOMMA Toshiyuki NAKANISHI Takuya	44,750
Q29	Nano-Functional Surface Chemistry	HOMMA Takayuki	44,750
Q30	Solid State Physics	KOYAMA Yasumasa	39,750
Q31	Advanced Theoretical Physics for Condensed Matter	YAMANAKA Yoshiya	39,750
Q32	Quantum Theory for Solids	YAMAMOTO Tomoyuki	39,750
Q33	Nano Material	KAWARADA Hiroshi	39,750

※Please refer to the HANDBOOK which will be handed out after enrollment for the details on the tuition fees for each school year.
