2. Applicant Qualifications

1) Master's Degree and Non-degree (Research Student) Program

Applicants must meet one of the following criteria.

- a) Those who have completed 16 years of standard school education outside Japan, or are expected to complete such education by one day before the date of enrollment (September 20 or March 31) (including those who have graduated from a university offering courses only in English in Japan, or are expected to graduate from such a university by one day before the date of enrollment)

* “Those who have completed 16 years of standard school education outside Japan” means “those who have completed formal school education in the 16th year outside Japan”.

- b) Those who have completed 15 years of school education outside Japan, or are expected to complete such education by one day before the date of enrollment (September 20 or March 31), and have been recognized by the Graduate School of Fundamental/Creative/Advanced Science and Engineering as having earned a specified number of credits with an excellent academic record

- c) Those who have been recognized by the Graduate School of Fundamental/Creative/Advanced Science and Engineering as possessing academic capabilities equivalent or superior to those of university graduates through an individual screening process, and are 22 years old or older by one day before the date of enrollment (September 20 or March 31)

- d) Those who meet all the following criteria

- Those who apply for the Master's Degree Program entering in September

- Those who are juniors (excluding those who have taken a leave of absence) **at the English-based Undergraduate Degree Program, School of Fundamental/Creative/Advanced Science and Engineering, Waseda University** at the time of application

- Those who have earned half of the credits or more required for the graduation in the undergraduate program at the end of the sophomore year and two-thirds of the credits or more have obtained the grades of the “A+” or “A” (80 points or more per 100 points), and are expected to earn three-fourths of the credits or more required for the graduation in the undergraduate program at the end of the junior year

- Those who have been permitted by their prospective department and supervisor

* Note that those who meet the criterion d) above and got accepted to the Master's Degree Program will not obtain a bachelor's degree.

* Note that those who meet the criterion d) above and fail to earn aforementioned credits or obtain aforementioned grades at the end of junior year, the acceptance will be automatically canceled.

*** For those who have completed primary, secondary, and higher education in the countries where formal education from primary to higher education is completed in less than 16 years, or meet the criterion b) or c) above, your educational background will need to be examined before application. Contact the Graduate Admissions Office, Center for Science and Engineering to determine your eligibility by one month before the first day of the submission period for application documents.**

*** Those who have completed a three-year program (zhuanke) in the People's Republic of China, or are expected to complete such a program by one day before the date of enrollment (September 20 or March 31) cannot apply. However, those who have transferred to and completed a four-year program**

(benke) in the People's Republic of China after completing a three-year program (zhuanke), or are expected to transfer to and complete such a program by one day before the date of enrollment can apply.

2) Doctoral Degree and Non-degree (Research Students) Program

Applicants must meet one of the following criteria.

- a) Those who have obtained a master's degree, professional master's degree, or equivalent degree outside Japan, or are expected to obtain such a degree by one day before the date of enrollment (September 20 or March 31) (including those who have obtained a master's degree, professional master's degree, or professional doctoral degree in law by taking courses only in English in Japan, or are expected to obtain such a degree by one day before the date of enrollment)
- b) Those who have been recognized by the Graduate School of Fundamental/Creative/Advanced Science and Engineering as possessing academic capabilities equivalent or superior to those of holders of a master's degree, professional master's degree, or professional doctoral degree in law through individual screening processes, and are 24 years old or older by one day before the date of enrollment (September 20 or March 31)

*** For those who meet the criterion b) above, your educational background will need to be examined before application. Contact the Graduate Admissions Office, Center for Science and Engineering to determine your eligibility by one month before the first day of the submission period for application documents.**

- c) Students aiming to complete their course in one year or one and half years under the English-based Master's Degree Program at the Graduate School of Fundamental/Creative/Advanced Science and Engineering are required to obtain over 30 credits from the designated courses and should be recognized as students with excellent achievements by a prospective supervisor.

* Research students with the "Student" residence status can take courses for up to one year due to restrictions of the Immigration Bureau. If they took courses as research students at any other universities and wish to take courses as research students at Waseda University next year, their status of residence for another year may not be changed or extended in the majority of cases due to restrictions of the Immigration Bureau. Confirm the details with the Immigration Bureau.

* In order to obtain the "Student" residence status, research students must take at least 10 hours of the courses (7 courses together with specialized courses offered by the Graduate School of Fundamental/Creative/Advanced Science and Engineering, Japanese language courses offered by the Center for Japanese Language, etc.) per one week **(If they receive research guidance, they can obtain the "Student" residence status without taking any other courses).**

* If you submitted a certificate to demonstrate that you are expected to meet the qualification to enter university in order to meet the applicant eligibility stated in the application guidelines at the time of application, you will be required to submit a certificate to certify that you have indeed met the requirement before enrollment. You will not be allowed to enter Waseda University even if you pass the entrance examination unless you submit such certificate.

* Contacting your prospective supervisor before application is strongly recommended. Especially applying for the Doctoral Degree or Non-degree (Research Student) Program at the Graduate School of Fundamental Science and Engineering without prior contact will cause disadvantage at the time of screening. Include detailed research plan and CV as well as your basic information in your email. If you apply for the Master's Non-degree (Research Student) Program without receiving research guidance, you do not need to contact any supervisors. Confirm the details about research guidance and supervisors through the following URLs.

The application will not be accepted if an applicant fails to give prior notice to his/her supervisor/department office, or if the supervisor/department office does not report to the Senior Dean's office in advance.

5) Important Notes on Falsified Application Documents

You may be deemed to have committed a dishonest act if you falsified, fabricated, or plagiarized a document, material or information submitted in your application. In such case, any decision taken on your application may later be invalidated, and the application documents submitted and screening fee will not be returned.

8. Handling of Personal Information

Waseda University utilizes applicant information (addresses, names, dates of birth etc.) collected at the time of application in order to carry out operations such as the entrance examination, announcement of the screening results, and enrollment procedures. We will take necessary and proper measures to protect such information from leakage, disclosure, or unauthorized use. All or part of the above operations may be outsourced to an agency. In such case,

AO Admission to English-based Graduate Program (Including Research Student Program)
Entering in September 2018 and April 2019
Graduate School of Fundamental/Creative/Advanced Science and Engineering, Waseda University

the agency will be contractually required to maintain necessary and proper management. Please note that the personal information may be used as materials for studies and researches to improve our entrance examinations. The information will be statistically processed to prevent any individuals from being identified.

9. Accommodations during the Examination and School Attendance

If you expect to require special care during the entrance examination or after entering the university due to a disability or serious medical condition, etc., please contact the Graduate Admissions Office, Center for Science and Engineering at Waseda University immediately.

10. Screening

Document Screening (Interviews may be conducted depending on your prospective supervisor or department via phone or email (for residents in/outside Japan) or in person (**only for residents in Japan**).

11. Dishonest Acts

Waseda University has provided the following guidelines so that all examinations can be properly administered and all examinees have an opportunity to perform in a fair and equitable environment. Please read the guidelines carefully and approach the examination in a serious manner.

- 1) You may be deemed to have committed a dishonest act if Waseda University determines that you have falsified, fabricated, or plagiarized the document(s), statement(s), or information submitted for your application.
 - 2) In addition, the following responses may be taken if a dishonest act is identified.
 - The applicant may not be allowed to continue taking the examination or allowed to take any other entrance examination given by Waseda University during the year. (Screening fees will not be returned.)
 - The results of all entrance examinations taken by the applicant at Waseda University during the year may become invalid.
- * In this Admissions Guidelines, any devices with communication function such as a cell phone, smartphone, tablet, PHS, or smartwatch are collectively called “cellphone”.

12. Disclaimer

In cases of unforeseen circumstances that are beyond human control, such as a natural disaster (e.g., typhoons, earthquakes, flooding, tsunamis) and/or accident, such as fire, power failure, and so on, measures including delaying the start of the exam or postponing the exam, etc. may be taken. However, in such an event, we will bear no responsibility for any resulting inconvenience, expense, or other personal loss that the examinee may incur.

13. Announcement of Admission Result

1) Date

The admission result will be announced approximately 2 months after application.

	Submission of Enrollment Documents	By August 24 (Fri.), 2018
April 2019	Delivery of Enrollment Documents	Sent out in December 2018
	Submission of Enrollment Documents	By March 1 (Fri.), 2019

15. Waiver of Admission Fee (Registration Fee) (Only for Master's/Doctoral Degree Program)

If you are currently enrolled in, graduated from, completed, or withdrew from an undergraduate, graduate, or specialized program of Waseda University, you are not required to pay the admission fee (registration fee). For more information, please refer to the guide to entrance procedures sent to successful applicants.

16. Refund of School Expenses

As a rule, we do not return submitted documents or refund school expenses and fees (the admission fee and school expenses for the first semester). However, if you do not enter Waseda University due to unavoidable circumstances or fail to meet the entrance qualifications prior to enrollment, we may refund only the school expenses for the first semester (but not the admission fee). For more information about the procedure for receiving such refund, refer to the guide to entrance procedures mailed to successful applicants.

17. Acquisition of Status of Residence “Student”

International students who are admitted to Waseda University are able to apply for a status of residence “Student”. Those with the status of residence “Student” are eligible to apply for tuition reduction/exemptions and scholarships for international students. Those with a status of residence other than “Student” that allow the holder to stay in Japan for long periods are eligible to enter Waseda University. In that case, however, you may encounter difficulties when using various services and systems intended for international students. In addition, students are not eligible to enroll in the university with a “Short-term” visa status.

1) If You Do Not Have a Status of Residence in Japan (If You Are NOT a Resident in Japan)

- In order to apply for a visa to enter Japan, you will first need to obtain a certificate of eligibility (COE) from the Immigration Bureau of the Ministry of Justice of Japan, located in Japan. If you are a foreign national

**AO Admission to English-based Graduate Program (Including Research Student Program)
Entering in September 2018 and April 2019
Graduate School of Fundamental/Creative/Advanced Science and Engineering, Waseda University**

applying from outside Japan and have completed payment of the admission fee and designated school expenses for enrollment, the Graduate Admissions Office, Center for Science and Engineering will apply for your certificate of eligibility to the Immigration Bureau on behalf of you. You must send the required documents by registered mail (international courier service, etc.) to arrive at the Graduate Admissions Office, Center for Science and Engineering no later than the deadline; the date will be given to successful applicants with an enrollment registration documents. Since it takes one to two months before the Immigration Bureau makes a decision, we advise you to complete the payment and submit COE application documents early, regardless of the deadline.

- After the COE is issued, Waseda University will send it to you by mail (we send to addresses outside Japan only). Upon receiving the COE, you need to take the COE and your passport to the Japanese embassy or consulate in your area to apply for a “Student” visa. After receipt of a visa to Japan, you are supposed to enter Japan as a student within three months of the issuance of a COE.
- A certificate of admission will be forwarded to you with the COE.
- The Graduate Admissions Office, Center for Science and Engineering, Waseda University acts on your behalf to apply for your COE to obtain a “Student” visa and a status of residence “Student”. If you wish to apply for a COE for any other type of visa and status of residence, you need to make an application yourself.

* Visa Waiver and Short-term Visa Holders

If you enter Japan as a visa waiver or on a short-term (tourist) visa, in principle, you will not be allowed to change your visa status to a status of residence “Student” while in Japan. You will have to leave Japan and submit a certificate of eligibility (COE) at a Japanese embassy or consulate outside Japan to obtain a “Student” visa. Afterwards, you will be able to re-enter the country.

However, if it is difficult for you to return to your home country before starting the new semester, please consult with the Graduate Admissions Office, Center for Science and Engineering.

2) If You Have a Status of Residence (If You Are a Resident in Japan)

- If you have a status of residence “Student”

If you currently have a status of residence “Student”, please process the “application for extension of period of stay” as necessary. You are able to apply for an extension of period of stay up to three months before your status of residence expires. For details regarding this application, please see “How to apply for a visa extension,” Visa-Related Procedures, the website of the Center for International Education at: <http://www.cie-waseda.jp/visastatus/en/current/extvisastatus.html>.

Please note that your renewal will not be granted if your attendance and/or grades were bad at the Japanese language school, even if you are admitted to enter Waseda University.

- If You Have a Status of Residence Other than “Student”

If you currently have a status of residence such as “Long Term Resident,” “Dependent,” etc., there is no need for you to undertake any procedures. However, you may encounter difficulties when using various services and systems intended for international students.

If you wish to change your status of residence to that of “Student,” please process the “application for change of status of residence.” For details regarding this application, please see “How to change your visa

status”, Visa-Related Procedures, the website of the Center for International Education at:
<http://www.cie-waseda.jp/visastatus/en/current/changevisastatus.html>.

* A Certificate of Admission

After you are admitted, if you wish to apply for extension or change your status of residence before you are given student number, you need a “certificate of admission” to make an application. After paying the admission fee and designated school expenses, please make sure to submit a request to the office of the school you are scheduled to join to issue an original copy of the certificate of admission.

* Application for Extension or Change of Your Status of Residence

In order to apply for an extension or change of your status of residence, you need a completed application form with an official stamp of Waseda University. Prior to making the application to the Immigration Bureau, please visit the Graduate Admissions Office, Center for Science and Engineering in person (located on the first floor, building No.51, Nishiwaseda Campus) with the application form and necessary documents, and have the application form stamped. If you have difficulty in visiting the Graduate Admissions Office, Center for Science and Engineering due to living in a distant place from Tokyo or any other reason, please inquire the Graduate Admissions Office, Center for Science and Engineering.

* The Immigration Bureau may require you to submit additional documents.

* If circumstances arise that keep you from entering Waseda University for any reason, please send a statement that explains your reason and send back your Certificate of Eligibility immediately to the Graduate Admissions Office, Center for Science and Engineering. Also, if you are accepted to another university in Japan, please make sure that your application for a certificate of eligibility is not duplicated. If there are multiple applications, the certificate cannot be issued.

* If you are a Japanese national, even if you hold other nationality (dual/multiple nationality including Japanese nationality), you are not eligible to apply for a certificate of eligibility.

* The Ministry of Justice is solely responsible for decisions regarding status of residence. If your application is delayed or refused, Waseda University cannot be held responsible.

19. Japanese Government (Monbukagakusho: MEXT) Scholarship by University Recommendation

If you meet all the following criteria, you will be screened as a **candidate** of MEXT scholarship by university recommendation program firstly by the Faculty of Science and Engineering, Waseda University. Note that even if you meet all the following criteria, you may not be selected as a candidate. This is because the details about the scholarship program for **September 2018 entrance** will be released by MEXT (Ministry of Education, Culture, Sports, Science and Technology) at the end of December 2017. Furthermore, even if you are selected as a candidate of the scholarship, it does not guarantee that you will receive the scholarship. This is because the **final decision** will be made by MEXT.

- 1) Those who are foreign nationals and reside outside Japan
- 2) Those who obtained the grades of "2.30" points or more per 4.00 points (GPA) in the last two years
- 3) Those who apply for the English-based Master's/Doctoral Degree Program entering in **September 2018**
- 4) Those who have completed all the application procedures (payment of the screening fee, registration of the online application, and submission of the application documents (**final arrival date**)) by **January 9 (Tue.), 2018**

* Confirm the details about the scholarship program for **September 2017 entrance** with the following list. Note that the details for **September 2018 entrance** are subject to change. Refer to the details released by MEXT (Ministry of Education, Culture, Sports, Science and Technology) at the end of December 2017.

Number of Candidates	Admission Fee, School Expenses and Miscellaneous Fees	Scholarship per Month	School Expenses, Scholarship, Etc. Provision Period	Screening Fee	Round-trip Airfare
A Few	Provided	Master's Program: 144,000 JPY Doctoral Program: 145,000 JPY	Master's Program: 2 Years Doctoral Program: 3 Years	Refunded	Provided

* If you are selected as a student of MEXT scholarship by university recommendation program, the scholarship result will be announced by the same method and on the same date as the admission result. If you are not selected a student of the scholarship, only the admission result (excluding the scholarship result) will be announced.

* **There are no scholarships that you can apply for before entrance.** Confirm the details about the scholarships that you can apply for after entrance through the following URLs.
