

Department of Architecture	course code	course title	credits	semester
Department of Architecture	5201G01005	Advanced Topics in Architectural Design and Engineering A	2	spring semester
Department of Architecture	5201GA1001	Exercises in Architectural Design(D)	2	spring semester
Department of Architecture	5201GA1003	Exercises in Architectural Design(F)	2	spring semester
Department of Architecture	5201GA1004	Exercises in Architectural Design(G)	2	spring semester
Department of Architecture	5201GA1005	Advanced Theory: Urban and Environmental Design	2	spring quarter
Department of Architecture	5201GA1009	Advanced Safety Planning of Built Environments	2	spring semester
Department of Architecture	5201GA1011	Advanced Theory of Architectural Expressions	2	spring semester
Department of Architecture	5201GA1012	Advanced Continuum Mechanics	2	spring semester
Department of Architecture	5201GA1018	Advanced Theory: Architectural Design Concepts	2	spring semester
Department of Architecture	5201GA1020	Advanced Environment Media	2	spring semester
Department of Architecture	5201GA1021	Advanced Topics in Architectural Design and Engineering A	2	spring semester
Department of Architecture	5201GA1022	Advanced Exercise of Architectural Design and Work A [Spring Semester]	4	spring semester
Department of Architecture	5201GA1023	Advanced Structural Design	2	spring semester
