

IPSE UG Students Enrolled in Fall 2010 through 2017
List of courses offered in IPSE for 2021
Department of Electronic and Physical Systems

Course Key	Class Name	Allocated Year	Credit	Semester
26GE013001	Research Project B	3rd year and above	4	spring semester
26GE014001	Research Project C	4th year and above	4	fall semester
26GE022001	Fundamentals of Programming	2nd year and above	2	spring quarter
26GE022004	Algorithms and Data Structures	2nd year and above	2	spring semester
26GE022006	Electromagnetism A	2nd year and above	1	fall quarter
26GE022007	Electromagnetism B	2nd year and above	1	winter quarter
26GE023002	Computer Science and Engineering Laboratory	3rd year and above	2	fall semester
26GE023003	Signal Processing	3rd year and above	2	fall semester
26GE023004	Information Network Systems	3rd year and above	2	fall semester
26GE023006	Research Project A	3rd year and above	2	fall semester
26GE023007	Software Engineering	3rd year and above	2	fall semester
26GE023008	Teletraffic Theory	3rd year and above	2	fall semester
26GE023009	Info-Telecommunication and the Standardization	3rd year and above	2	spring semester
26GE023010	Wireless Communications	3rd year and above	2	spring semester
26GE023011	Multimedia Systems	3rd year and above	2	fall semester
26GE023014	Operating Systems	3rd year and above	2	spring semester
26GE023017	Electron Device	3rd year and above	1	spring quarter
26GE024004	Digital System Design	4th year and above	2	winter quarter
26GE024005	Research Project D	4th year and above	2	spring semester
26GE024006	Image Processing	4th year and above	2	spring semester
26GE024008	Advanced Processor Architecture Technology	4th year and above	2	spring semester
26GE032002	Logic Circuits	2nd year and above	2	fall semester
26GE032003	Computer Systems	2nd year and above	2	fall semester
26GE032004	Circuit Theory A	2nd year and above	1	fall quarter
26GE032005	Circuit Theory B	2nd year and above	1	winter quarter
26GE033002	Information Theory	3rd year and above	2	spring semester
26GE033003	Electronic Circuits A	3rd year and above	1	spring quarter
26GE033004	Electronic Circuits B	3rd year and above	1	summer quarter
