---------------	-----------------------------------	-------------------	--	--

Only international students complete between ⑱ and ⑲

Supervisor	Name		seal
Section for supervisor's confirmation (After confirmation, check the box)	<input type="checkbox"/>	If the applicant passes the exam, I will approve his/her entry into the PEP Program. Regarding the expenses for RA work during the program enrollment period (regular completion), I confirm that it is necessary that the prescribed amounts (80,000 yen per month for master's students; 120,000 yen per month for doctoral students) be regularly supplied, even in times when the support is reduced due to the gradual reduction of subsidies; any shortfall will be covered using external funds.	

【Office use only】

NOTE: be sure to also complete the back side of this form.

**2. Motivation for application** ① Provide details including self-introduction; motivation for conducting the research; your goals in this program; and your goals after completing the program.

② State your thoughts about what kind of actions are necessary to apply the research results to business creation.
