

IPSE Group B3 (Laboratory)

- If students FAILED to earn the credits of “Science and Engineering Laboratory 1A／1B”, “Science and Engineering Laboratory 2A” in the previous year, students MUST contact the laboratory office as below to register for retaking the course. The course will be registered automatically by the university after students complete the required steps instructed by the laboratory office.
- In terms of a “Science and Engineering Laboratory 2A”, you need to take part in the **guidance session** at the beginning of a semester. The date & venue for the guidance is announced course registration website:
<https://www.waseda.jp/fsci/en/students/registration/>
> Guidance schedule and venue for EBSE Lab courses
- You **CANNOT** take JBSE and EBSE Group B3 courses.

[Science and Engineering Laboratory 1A／1B]

- (1) Date to contact: During the 1st course registration period of the semester the course is allocated
- (2) E-mail to: rikougakukiso1@list.waseda.jp (Laboratory for basic science and engineering 56-301)
- (3) Information required in the e-mail: Your student ID number, your name, and the course name you wish to retake

[Science and Engineering Laboratory 2A]

- (1) Date to contact: During the 1st course registration period of the semester the course is allocated
- (2) E-mail to: ipse2a@list.waseda.jp
- (3) Information required in the e-mail: Your student ID number, your name, and the course name you wish to retake
