Sample

- Please fill in the following three items in the yellow cells;(1)Applicant's class rank in the latest exam at school as a number (such as 6th out of 150) or/and as a percentile (such as top $25 \%$ of a school), (2)Whether applicants take each course contents, and (3)Study hours per week.
- The table for course contents are created besed on the AP Courses and Exams. Please fill in $O, \triangle$, or $\times$ in the column (2).

O means "completed a course content" or "expected to complete a course content". $\triangle$ means "completed a part of a course content". $\times$ means "not taken".

- If applicants are taking (or completed) course contents of their country's curriculum guidelines which are not listed in the below tables, you can add them to the
tables or make change to the tables.
- The table does not imply that applicants must complete the subjects or course contents listed in it.
- You can use any format if it contains the same information as this Evaluation sheet.
(Note) This Evaluation sheet must be written by applicants' secondary/high school teachers for each subject.
