

# Applications Open for Scholarships

Scholarship Name	<b>2023 Isao Okawa Scholarship for Information Technology Science</b>
Purpose	This scholarship program was established with a donation from the late Mr. Isao Okawa (an alumnus of Waseda University and the former chairperson of CSK Corporation) to the Graduate School of Science and Engineering. It aims to develop and support young researchers in the field of information and telecommunications.
Eligible Students	Students who are engaged in information and telecommunications research and enrolled as of December 2023 in the Graduate Schools of Fundamental /Creative/Advanced Science and Engineering, or Information, Production and Systems. In principle, those who are doctoral students, 3rd to 5th year students in the 5-year Doctoral Program, second-year master's students who are to enroll a Doctoral Program, or first-year master's students who are to advance to Doctoral Program at Waseda University by early entry can be the candidates. Students who plan to enroll a Doctoral Program will be preferentially-selected. *Research Associate and tuition waivers are not eligible.
Number of Candidates	5 persons from among the Doctoral courses or from 3rd to 5th year in the 5-year Doctoral Program 7 persons from among the Master's courses
Stipend	¥600,000/year for Doctoral course and for 5-year Doctoral Program *If you receive other Waseda University scholarships, the total stipend is limited up to the ¥600,000. ¥200,000/year for Master course *If the amount combined with other Waseda University scholarships is over the school fees, the total stipend is limited up to the school fees.
