Flowchart for checking the schedule of tuition and fees bank transfer

The tuition and fees for the first semester You are in your second semester since have already been paid as an enrollment enrollment or later processing fee prior to enrollment, so bank (e.g., if you enrolled in April 2023 now, you transfer will be made from the next should be in the fall semester of 2023 or later) semester. Yes The number of years in the school (including the period of leaves of absence and study abroad) must be more than the following: You are an undergraduate student and The due date is as follows, and the Undergraduate: 4 years or more (in 5th year receiving JASSO Stipend and Partial Tuition prescribed amount (the full amount) will be or more) No Master: 2 years or more (in 3rd year or Waiver ("国の修学支援制度") charged. (If you are in the process of applying, go to No.) Spring semester: Early May, Fall semester: more) Doctor: 3 years or more (in 4th year or **Early October** more) 5-years doctoral course(*Ikkansei*): 5 years or more (in 6th year or more) Yes Yes The number of years during the period of attending class (excluding the period of leaves of absence and study abroad) must be The due date is as follows, and the The due date is as follows, and the amount prescribed amount (the full amount) will be more than the following: will be fixed after deduction according to the Undergraduate: 4 years or more (in 5th year charged. accreditation category is made. or more) Spring semester: Early July, Fall semester: Spring semester: Early July, Fall semester: Master: 2 years or more (in 3rd year or **Early December Early December** more) *if you are receiving JASSO Stipend and Partial Tuition Waiver ("国の修 Doctor: 3 years or more (in 4th year or *If it takes time for JASSO to determine the classification, it's possible 学支援制度"), the amount will be withdrawn from your account after that the above bank transfers will not be done. more) deduction according to your accreditation category is made. 5-years doctoral course(Ikkansei): 5 years or more (in 6th year or more) Yes [Remarks] - If the bank transfer in early May or early October is not successful, transaction will be taken again The due date is as follows, and only tuition in early July or early December. can be charged at a reduced rate of 50% or

70% (other expenses are charged at the predetermined (full) amount). Spring semester: Early July, Fall semester:

*For details, please refer to "School expenses for Enchosei".

Early December

- If the bank transfer in early July or early December is not successful, or if the transfer is not done due to the undetermined category in JASSO Stipend and Partial Tuition Waiver ("国の修学支援制度") for undergraduate students, the university will send a designated payment slip to tuition payer after mid-July or mid-December, so please use it to make the payment at the counter of the financial institution.
- * The JASSO Stipend and Partial Tuition Waiver ("国の修学支援制度") is, in principle, for Japanese students.
