(a) For more details, see the "[List of Application Documents by Education System](#)," which can be found on the FSE website.

(b) We are aware that some high schools/institutions have a policy of keeping documents confidential from students. In this case, ask your high school to upload the required certificates directly on the designated form ([https://wasedaunivcampus.au1.qualtrics.com/jfe/form/SV\\_3RfoKkU7TDITAt0](https://wasedaunivcampus.au1.qualtrics.com/jfe/form/SV_3RfoKkU7TDITAt0)).

(c) Only for non-Japanese nationals residing in Japan.

**NOTE:**

**1) Requirements on original documents**

On TAO, you will first upload PDF versions of the original/certified documents and certificates to follow our online application process. However, later as part of our enrollment procedures, successful applicants will be required to prove their originality either by submitting their physical copies by post, having their official versions sent by e-mail from the issuing organization, or using digital credential services. If you are unable to do so by the designated deadline, you will be considered to have failed to meet our enrollment qualifications. Any discrepancies may be considered as falsification/fabrication of application documents, and your admission may be revoked. For more details, refer to page 23 Step 6: Complete the Enrollment Procedures.

**2) Applicant's name on documents**

Note that all the documents must be issued under your legal name written in English alphabet on your passport. If the name used on the application documents differs from the name on your passport, upload documentation with your passport in the Personal Detail section to prove that all names belong to the same person.

**3) Language specification**

Certificates issued in English are accepted. If they are originally issued in any other language, attach an English translation to the original. The translation must be prepared either by the issuing institution (e.g., your high school), or by a translation agency/office officially approved by the government.

**4) Meeting the deadline**

All application documents, including ones directly sent from your high school or other institutions, must be received by the International Admissions Office no later than the designated deadline. Those that arrive after the deadline will not be accepted under any circumstances. We do not notify applicants about the delivery status of application documents (including electric scores). Verify on your own that the procedure for having the score report sent directly from the testing organization has been properly completed.

**5) Educational background**

In addition to preparing all the above required documents, you need to enter your educational background chronologically starting from primary school (Grade 1) to the present, including experience(s) of studying abroad (if you have any) on TAO at the time of application. You can enter up to 8 schools. If you attended more than 8 schools, please enter most recent 8 schools.

## 1. Proof of Applicant Eligibility

---

Prepare a PDF version of a certificate proving you have completed or are scheduled to complete a secondary education curriculum. The certificate must show your legal name in alphabet, date of birth, the official name of the school in English, (expected) graduation date, and the issuance date. The issuance date of Certificate of Graduation must be on or after the actual graduation date.

**NOTE:**

- 1) If the transcript shows your (expected) graduation date, you do not need to prepare a separate document.
- 2) If your high school does not issue a certificate of graduation (or expected graduation), use the "Template for Certificate of Graduation/Expected Graduation," which you can download from the FSE website. As proof of Applicant Eligibility, the applicant must submit a certificate proving that the secondary education curriculum is/will be completed. If the certificate lacks any of the information stated under "1. Proof of Applicant Eligibility" on this page, submitting both the certificate issued by high school and the form designated by Waseda University is required.
- 3) If you did not graduate from high school but passed the university entrance qualification test (high school equivalency examination), submit the documents certifying this fact, instead of the certificate of high school graduation.
- 4) The documents should be in English or with an English translation, but certificates of (expected) graduation in Japanese can be accepted when the original documents can only be issued in Japanese.
- 5) If you are studying or have studied at a high school in China, please let us know if you will sit/have sat for China High School Academic Proficiency Test (Huikao/会考) on TAO. If you have the results, upload a PDF version of "Verification Report of China High School Academic Proficiency Test (Huikao) Results" issued in English by CSSD (学信网). Verification Report must include your legal name in alphabet and verification QR code. Only report issued by CSSD will be considered valid. Huikao results are used only for the purpose of reviewing applicants' eligibility. Note that documents issued by CSSD (学信网) may take up to one month to be issued after application.  
If you will sit/have sat for the test, you will be asked to send English version of "Verification Report of China Secondary Education Qualification Certificate(中国中等教育学历验证报告 issued in English)" (not the Huikao results) directly from CSSD (学信网) as a part of our enrollment procedures.

## 2. Academic Transcript

Prepare a PDF version of academic transcripts/school reports issued by your high school (or an equivalent institution) from Grade 10 onwards up to the most recent academic term as specified in the “[List of Application Documents by Education System](#),” which can be found on the FSE website. The certificate must show your legal name in alphabet, the official name of the school in English, and the issuance date.

### NOTE:

- 1) If you have been enrolled in more than one school, submit the academic transcripts from all the schools that you have been enrolled in.
- 2) If you have passed the university entrance qualification test (high school equivalency examination), submit the documents certifying this fact and the score. If you have been enrolled in high school in the past, submit an academic transcript for the entire period of your high school enrollment.
- 3) If you are studying or have studied at a tertiary education institution (university, junior college, etc.), submit an academic transcript with grades for the period until the most recent academic term at the time of application.
- 4) If you are unable to submit grades for the designated period due to COVID-19 (e.g., letter grades being suspended, courses taken during a semester not shown due to school closure, etc.), you may submit the transcripts which your high school is able to issue at the time of application.
- 5) If you have graduated from your school, submit the academic transcript issued on or after the graduation date.

## 3. Grading Scale

Prepare a document which shows the grading scale/system of your high school (or equivalent education institution). Make sure that it shows the highest and lowest attainable grade.

### NOTE:

- 1) If the transcript(s) shows the grading scale, additional documents are not necessary.
- 2) A photocopy of the school website, school profile, or any other official document issued by your high school which certifies the grading scale/system is acceptable.

## 4. Standardized Test Score

You may submit the scores of any of the standardized tests listed on the “[List of Application Documents by Education System](#)” such as an official ACT score, “SAT+AP” score, IBDP (predicted) grades, GCE/IGCE A-level (predicted) grades, or the official certificate/score report of the university entrance qualification examination of the country where you live (e.g., China: Gaokao or Republic of Korea: CSAT, etc.).

### SUBJECT REQUIREMENT

Your standardized test score must include Mathematics, Physics and Chemistry. If any one of them is missing, it is strongly recommended to take an ACT (e.g., if you are submitting SAT only without AP). See this “[List of Application Documents by Education System](#)” for more details.

- 3) Only standardized test scores entered on TAO will be accepted as part of your application. Any undeclared test scores will not be accepted even if they are directly sent to Waseda or submitted as other documents.

**► Grace Period:**

For those who take Taiwan GSAT in January 2026 or Singapore-Cambridge GCE A-level in 2025, the FSE accepts the scores until March 6, 2026. For further details, see the notice for Grace Period through the below link.

<https://www.waseda.jp/fsci/assets/uploads/2025/09/2e268b43024aec8041d10509526c5b5.pdf>

**► For those who cannot submit specified test scores:**

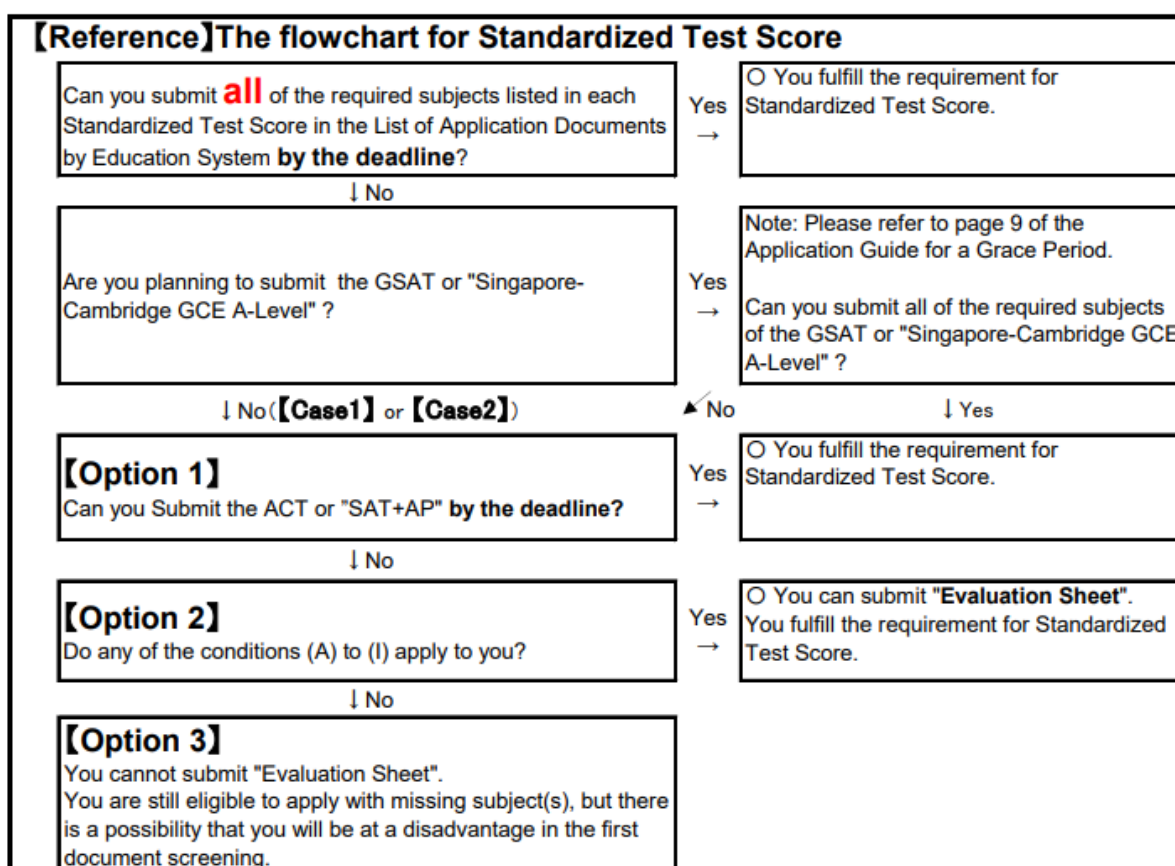

If you cannot submit any or some of the required three subjects scores by the application deadline due to one of the cases below, follow "Instructions for alternative options".

Case 1	You cannot submit a standardized test result as described in the <a href="#">List of Application Documents by Education System</a> .
Case 2	You can submit only one or two subjects out of required three subjects in each standardized test listed in the <a href="#">List of Application Documents by Education System</a> .

► **Instructions for alternative options:**

The FSE strongly recommends that applicants submit the standardized test score when applying to this admission scheme. If either aforementioned Case 1 or 2 applies to you, take one of the Option 1-3 below. Option 2 is only available when Option 1 cannot be implemented, and Option 3 is only available when Option 2 cannot be implemented.

Option 1	Submit the test results of ACT or “SAT+AP” regardless of the country where you live.
Option 2	<p>Submit the “Evaluation Sheet” in lieu of the standardized test score.</p> <p>Note that <b>this Option 2 is applicable only when you cannot take ACT</b> due to one of the following (A) to (I) conditions.</p> <p>If one of the following mentioned conditions from (A) to (I) applies to you, you may submit the “Evaluation Sheet” and subject(s) you have already taken.</p> <p>(A) The ACT is not administered in the country where you live and the Standardized Test in the country where you live was canceled.</p> <p>(B) The ACT in the country where you live was canceled and the Standardized Test in the country where you live was canceled.</p> <p>(C) There is (are) lack of required subject(s) in the result of the Standardized Test in the country where you live, and the ACT is not administered in the country where you live or the ACT in the country where you live was canceled.</p> <p>(D) The ACT and the Standardized Test in the country where you live have been postponed or implementation methods of these test have been changed, which prevent you from meeting our Standardized Test requirements.</p> <p>(E) You are not allowed to take the Standardized Test due to the rules set by the country where you live or an organization administering the test.</p> <p>e.g.,) Case when the test is not permitted due to measures to prevent the spread of infectious diseases.</p> <p><b>【In case your education system is not listed in the <a href="#">List of Application Documents by Education System</a>】</b></p> <p>(F) The ACT is not administered in the country where you live.</p> <p>(G) The ACT in the country where you live was canceled.</p> <p>(H) The ACT have been postponed or implementation methods of these test have been changed, which prevent you from meeting our Standardized Test requirements.</p> <p>(I) You are not allowed to take ACT due to the rules set by the country where you live or an organization administering the test.</p>
Option 3	<p>If neither Option 1 nor Option 2 applies to you, enter subject(s) you have already taken on TAO. You are still eligible to apply with missing subject(s), but there is a possibility that you will be at a disadvantage in the first document screening.</p> <p>In this case, we do not accept “Evaluation Sheet.”</p>

<FAQ for Standardized Test>

#	Q	A
1	Are there minimum score/requirements for the standardized test, English proficiency test and GPA? What is the passing score of each test?	No. There is no minimum requirement for standardized test, English proficiency test, or GPA that applicants must meet. Document screening decisions are based on a holistic screening of application documents.  【Reference : Average standardized test scores of Successful Applicants】 <a href="#">Average-standardized-test-scores-of-passing-the-document-screening2309-2509.pdf</a>
2	I took the same standardized test twice. Can I submit the higher score?	If you have taken the test multiple times, choose your best score (the sitting with the highest total score) and enter said information. Waseda University does not accept a superscore result. Please note that you cannot resubmit your scores after completing your application on TAO.
3	I have scores in Mathematics and Physics (Chemistry) but do not have the one in Chemistry (Physics) on the standardized test. Can I apply?	You can apply but it is recommended that you take the ACT. Otherwise, you will be at a disadvantage in the application process due to a lack of one required subject. If you do not have two or more subjects that we require, your chances of acceptance are slim to none.
4	For the ACT test, do I have to take “Science” section even though it is optional?	Yes. You are required to take “Science” section. While you may still apply without it, we strongly recommend taking the “Science” section. Otherwise, you will be at a disadvantage in the application process due to the lack of a required subject.
5	I have not studied Physics (Chemistry) in my high school. Can I apply?	Yes. If you can submit standardized test score for all three required subjects, you do not necessarily have to take these subjects in your high school curriculum. It does not affect your application negatively.
6	I have arranged to have my test score directly sent from the test center to Waseda University by the deadline. If my test score reached Waseda University after the deadline, is my score still valid?	Test scores, including those directly sent by the testing organization, must reach us by the deadline. Scores received after the application deadline will be considered invalid.
