

VooV meeting guest participation

① Connect to the wireless network eduoam

- * Please authenticate with the same ID and password as My WASEDA.
- * If you cannot connect, please check that the proxy is off.

② Install VooV app

Obtain and install the software from the official website (<https://voovmeeting.com/>)

	<p>① Click 「Download」</p>
	<p>② Click 「Download」</p>
	<p>③ Save and run the installer</p> <p>* Select save even if a warning appears</p>
	<p>④ Check "Operating Voov Meeting" and click Finish</p>
	<p>⑤ I agree to the service protocol and privacy policy, and the installation is complete.</p>

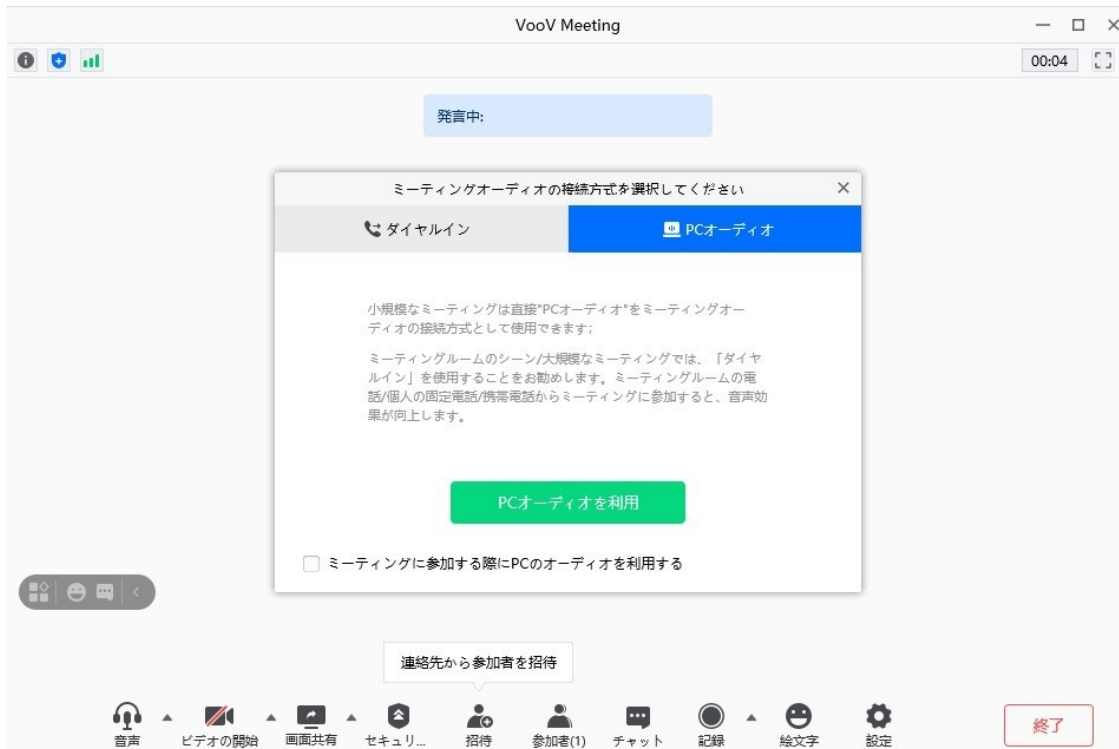

① Join the meeting from the URL

Click the join URL to launch the browser and move to the VooV app.

The process is shown in a 3x2 grid of screenshots:

- Top Left:** Meeting invitation page for "WasedaiPSのミーティング" (Meeting ID: 295 086 600). The "Join Now" button is highlighted with a red box and a circled 1.
- Top Right:** "国と地域" (Country and Region) selection screen. The "日本" (Japan) dropdown is selected. The "次へ" (Next) button is highlighted with a red box and a circled 4.
- Middle Left:** Browser dialog box asking "VooV Meeting を開きますか?" (Open VooV Meeting?). The "VooV Meeting を開く" (Open VooV Meeting) button is highlighted with a red box and a circled 2.
- Middle Right:** "データ処理規約" (Data Processing Policy) screen. The "同意" (Agree) button is highlighted with a red box and a circled 5.
- Bottom Left:** VooV Meeting app interface. A "参加" (Join) dialog box is shown with the "ミーティングに参加" (Join Meeting) button highlighted with a red box and a circled 3.
- Bottom Right:** "プロトコル" (Protocol) screen. Both "私は利用規約を読み、同意しました【サービスプロトコル】" and "私は利用規約を読み、同意しました【プライバシーポリシー】" are checked. The "チェックを入れてください" (Please check) text is present. The "次へ" (Next) button is highlighted with a red box and a circled 6.

From the next time, the following screen will appear from the time of startup.

※ Click the ▲ button to make detailed settings for various functions.
