Application for certificate of eligibility on behalf of the applicant

After successful overseas applicants (other than Japanese) have completed the admission procedure, they are required to obtain a foreign-student visa. On confirmation of the applicants' submission of necessary admission procedure documents and of the receipt the total amount of money due at the time of admission in the first year, this graduate school will submit an application for the Certificate of Eligibility to the Fukuoka Regional Immigration Services Bureau on behalf of the applicant. As soon as IPS has obtained your Certificate of Eligibility, it will be sent to you. Unless the required documents are submitted in full, we cannot file a proxy application for a Certificate of Eligibility. Please make sure that your documentation is complete.
